#### **4. Description of our school community**

Papanui High School is one of Christchurch's larger, state, coeducational secondary schools. With a current roll of about 1550, it services a community that is predominantly European but with significant groups from other ethnicities. The school roll reflects the community's ethnic mix and is 65% European, 15% Maori, 4% Pasifika, 14% Asian, and 2% made up of other ethnicities.

Located in North West Christchurch, Papanui High School draws its students from the areas of Belfast, Bishopdale, Bryndwr, Casebrook, Harewood, Merivale, Northwood, Northcote, Papanui, Redwood, Regents Park and St Albans.

That community is comprised of a range of socio-economic groupings and this is reflected in the school's decile rating of seven.

Access to and around the city is easy with Christchurch International Airport and the University of Canterbury all within 10 minutes of the school. Major bus services connect the school with wider Christchurch.

The North West Christchurch area is set to expand as there are large sub-division developments on the Northern and Western part of the school's zone. The school has experienced a small drop in Year 9 enrolments over the last two years due to smaller cohort from our major contributing school. The current roll is slightly up on the 2017 numbers due to an increase in enrolments in Year's 10 - 13 from in-zone students'. Growth is expected slowly increase over the next five years, which is a reflection on the Christchurch rebuild and the development of new sub-divisions.

Papanui High School sits at the heart of the Papanui area. On its Eastern boundary is the large urban shopping mall of 'Northlands', on its Western boundary is a large, light industrial area, to the South sits the Papanui commercial centre and on its Northern boundary, sport and recreational grounds and residential properties.

The school is proud of being a community school which works with and for its local community. Links are well established with local organisations such as the Graham Condon Recreation Centre, Christchurch City Council Service Centre, the local medical centre, commercial interests (especially the Northlands Mall), the Papanui Library, and the various social agencies in the area. There is also considerable interaction with the community through the day school activities and the adult community education classes which service the greater Christchurch area. Parents, caregivers and volunteers are involved in many facets of school life and there is a strong parent/teacher association.

Partnerships with the Northlands Mall, the City Council, the Papanui Foundation and Toshiba International/Business Distributors Ltd (BDL) have gained considerable benefits for the school in terms of sponsorship, ICT, and property developments.

Papanui High School is a member of the Totaranui Kahui Ako Community of Learners (CoL), which includes Bishopdale School, Casebrook Intermediate School, Cotswold School, Northcote School, Papanui School, Redwood School and a number of Early Childhood Services and Schools.

## **5. National Administrative Guidelines (N.A.Gs)**

Underpinning this Charter are the 10 general National Education Goals as set out by the Government in 1995. In order to facilitate our achievement of these goals Papanui High School will follow the National Administration Guidelines (NAG's)

## **6. Cultural Diversity**

**The school will recognise and foster an appreciation of the cultural diversity in our school's national and global community by:**

- Developing strategies that will enhance Maori and Pasifika student potential for high academic achievement and personal success.
- Developing strategies that will enhance the potential for high academic achievement and personal success for students from Asian countries.
- Celebrating and enjoying all forms of diversity in our school, nationally, and internationally. This includes cultural, gender, intellectual and physical difference
- Promoting attitudes based around understanding, tolerance and knowledge of differences, valuing others' heritage, culture and people.

**The school will recognise cultural diversity of Maori by:**

- Providing Te Reo Maori programmes at all levels. The school will ensure that the curriculum in all subjects incorporates a Maori dimension. The school will assist parents who wish their students to be educated through the medium of Te Reo Maori, to find appropriate pathways.
- Working in an inclusive way to meet obligations under the Treaty of Waitangi and the Memorandum of Understanding with Ngai Tahu. Ongoing relationships will be developed with Te Ngai Tuahuriri Runanga inc., Te Runanga Ki Otautahi O Ngai Tahu, and Nga Maata Waka.
- Incorporating Tikanga Maori into the daily running of the school through the use of powhiri, Te Reo, kapa haka, and the development of the whare as a focal point for the school.
- Working closely and developing ongoing relationships with the whanau of the school's students.

## **7. Codes of Conduct.**

**Effective governance and management is a successful blend of community involvement and professional competence.**

### **The Board of Trustees**

*The Board of Trustees agrees to the following Code of Conduct*

1. Ensure that the needs of students and their learning are given full consideration when planning, resourcing and implementing the School's curriculum.
2. Ensure that all students are provided with an education which represents their individuality and which challenges them to reach the highest standards of personal achievement.
3. Serve their school and their community to the best of their ability and be honest, reliable, trustworthy, loyal and fair.
4. Deal fairly with staff, the principal, caregivers and students.
5. Maintain the confidentiality and trust vested in them.
6. Ensure strict confidentiality of papers and information related to the Board's position as employer.
7. Ensure that individual trustees do not act independently of the Board and its decisions.
8. Accept that the Principal is the professional leader of the school and is responsible to the Board.

### **The Principal**

*In carrying out his or her duties the Principal will:*

1. Ensure that the needs of the students and their learning are given full consideration in planning, resourcing and implementing the school's curriculum.
2. Attempt to the best of his or her ability, to demonstrate each student is of equal value and is entitled to an education which respects their individuality and challenges them to reach their highest standards of personal achievement.
3. Be loyal to the Charter and fully committed to achieving its purpose, aims and objectives.
4. Deal fairly with staff members and the Board of Trustees, caregivers, and students and show a commitment to the continuing development of the staff's professional skills.
5. Work cooperatively with school staff but take final responsibility for decisions within the Principal's authority as delegated by the board.

6. Provide all information on a student to any person with legal rights to the information who requests it, and respect confidentiality by keeping information on students from people who have no right to it.
7. Not vote in Board of Trustees decisions in relation to the Principal's employment.

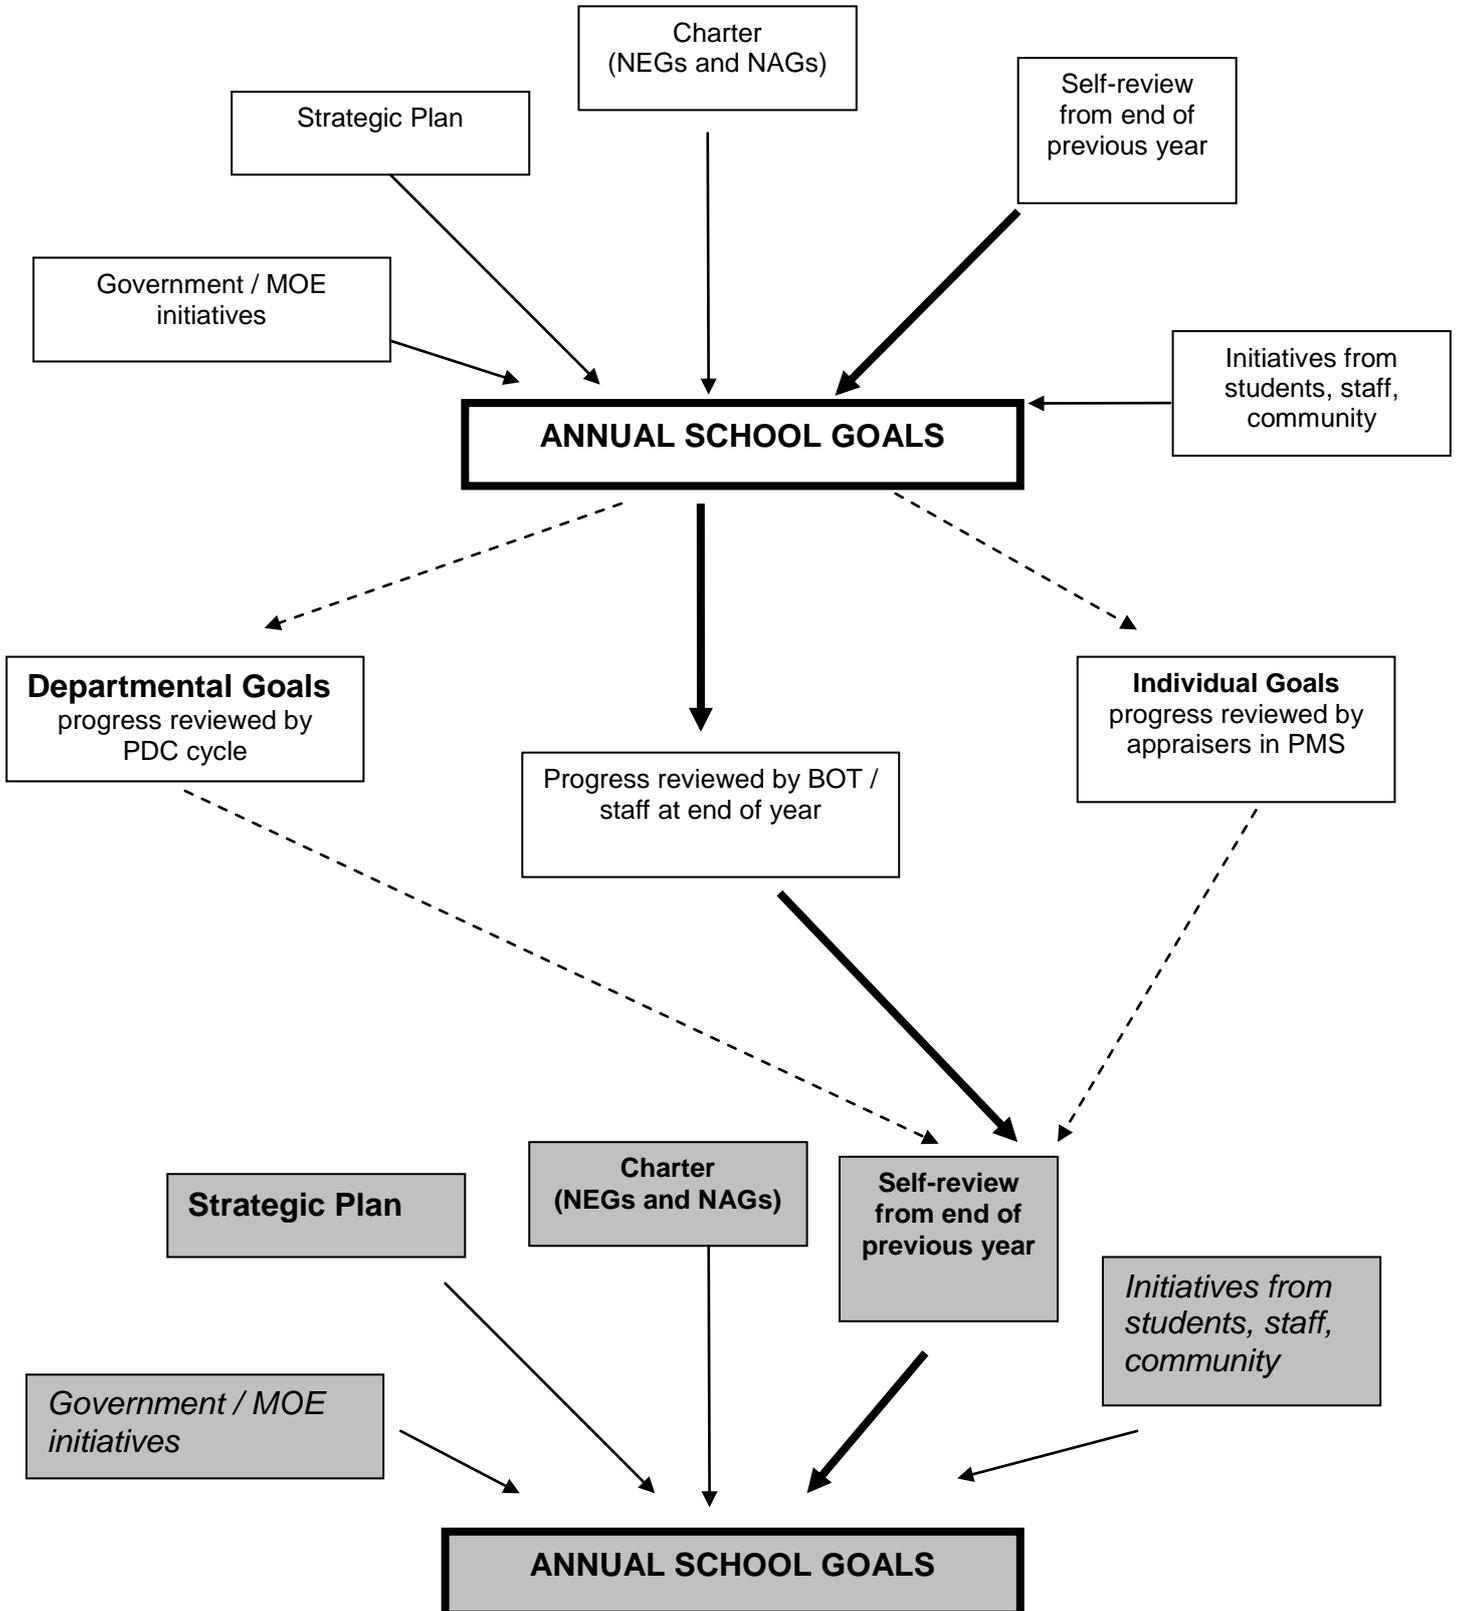

## **8. Self Review as the basis for Planning and Reporting**

There will be a strong culture of self review and constant improvement at Papanui High School. The bases for self review will be:

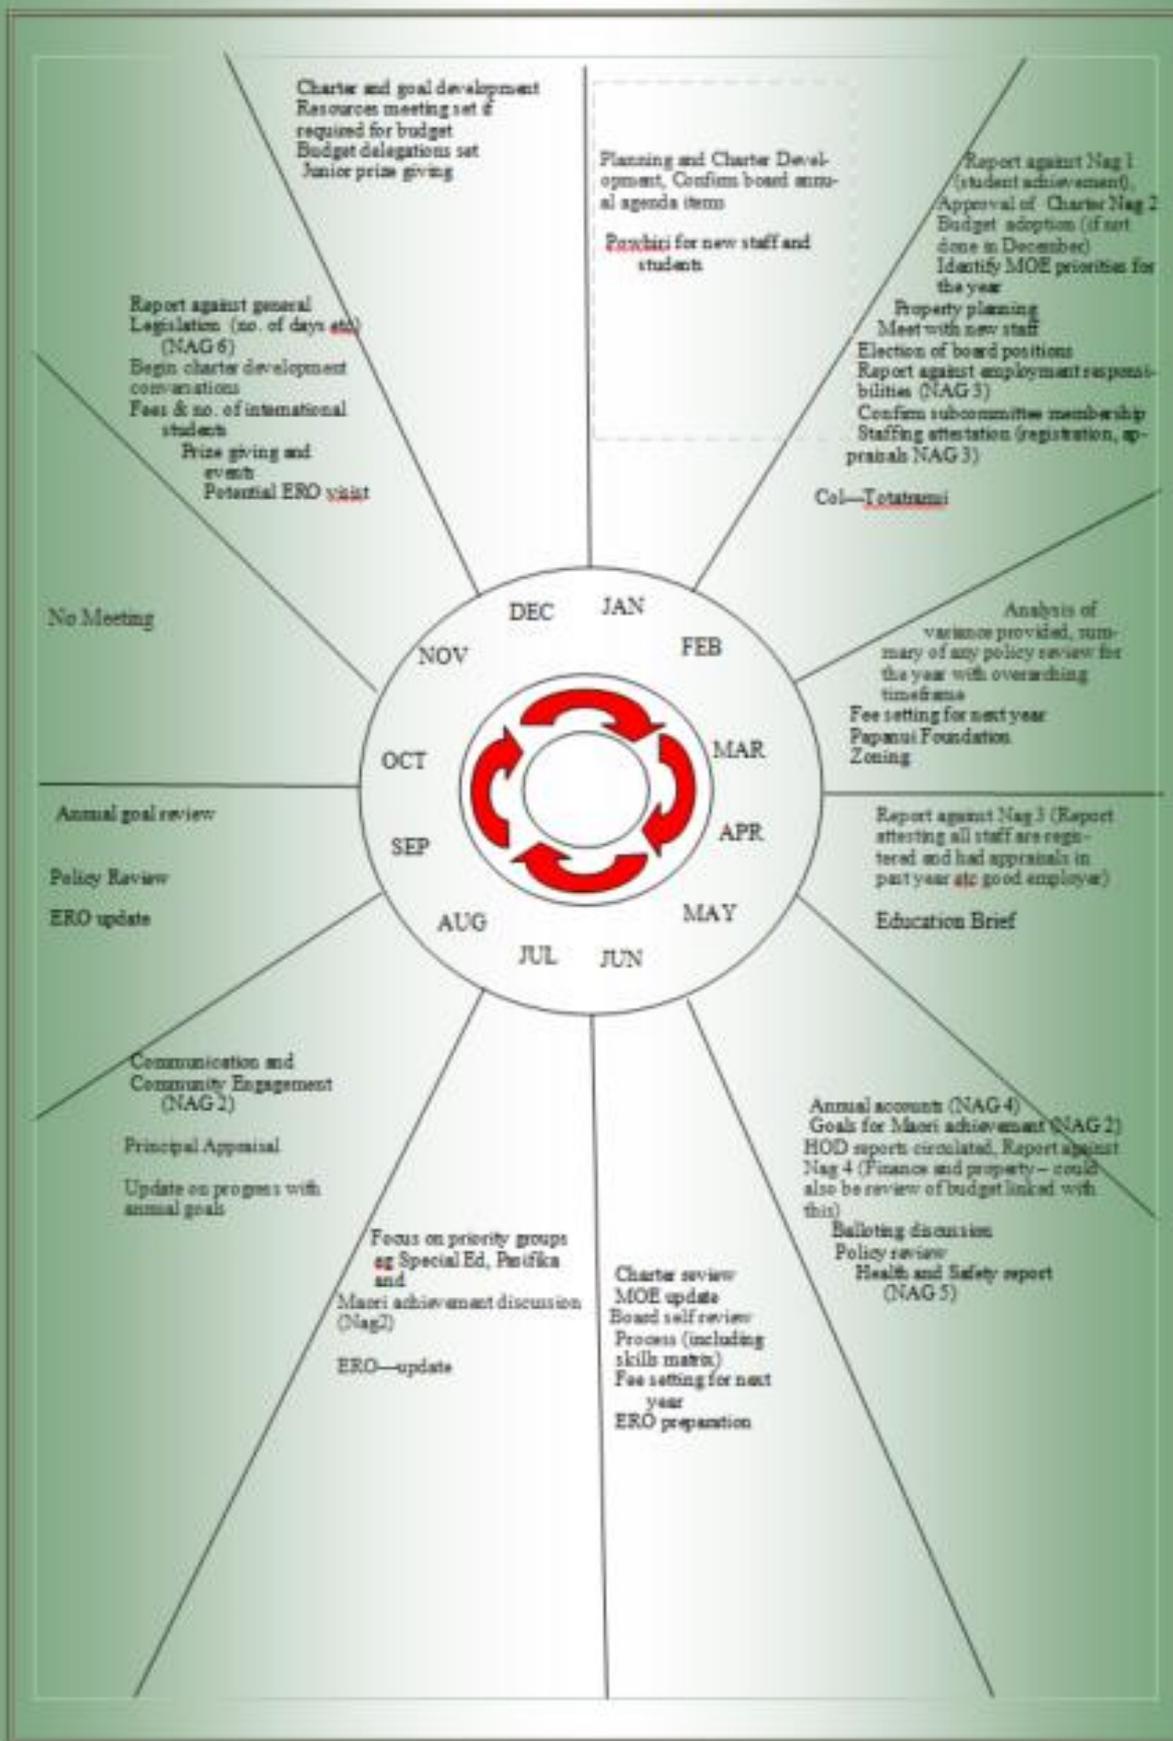

- Annual school wide goals and specific targets
- Annual Departmental Goals
- Head Of Department Annual Reports
- Staff Leadership Teams
- Data gathering surveys: CEM Survey, Perception Survey, etc
- Principal's Reports to monthly Board meetings
- Departmental management documents
- Charter/Strategic Plan
- Data generated from student achievement in NCEA/Junior curriculum levels
- BOT Policy and Review Committee
- ERO visits
- Staff Performance Appraisal
- Consultation with school's community

# PHS Strategic Overview 2018-2020

## Increased Engagement for Learning

Strategic Direction  
2018 - 2020

## PAPANUI HIGH SCHOOL – RECENT BACKGROUND

The strength of Papanui High School is its shared vision and commitment to supporting students' learning, progress, achievement and wellbeing.

The last ten years of self-review has seen a continuous cycle of improvement. The Education Review Office (ERO) reports, NCEA results, roll growth, community and staff perception over this time are all testament to this.

***“The school highly values and promotes sustained improvement through ongoing reflection, review and innovation. Positive relationships and an ethos of caring contribute to a culture of inclusion and high expectations. Students experience a broad curriculum within and beyond the school. Over time, student achievement is continuing to improve. The wellbeing, engagement and learning progress of students remain high priorities for the board, leaders and staff”. (ERO 2014)***

Over the last 5 years NCEA results have shown consistent and significant improvement across all levels including the attainment of Merit, Excellence and Endorsements. This is supported by such things as Academic Counseling, Engagement Reports, Real Time reporting, Curriculum Innovation and Design, links with external providers, working with Ministry of Education (MOE) achievement and engagement initiatives together with a culture of high expectations, an inclusive learning environment and embedded positive relationships between staff and students have contributed to these improved outcomes.

The breadth of learning has been substantially increased through the school's co-curricular programmes. Students can choose from well-developed programmes in music, the arts, cultural pursuits, sport and outdoor education. These programmes are further enhanced by the access students have to high quality on-site facilities that have been developed in partnership with the local community. The school is proud of the many local and national awards that students have received through their involvement in these activities.

Teachers are well supported through targeted professional learning and development that focuses on student learning and well-being, and how each student can be best supported to succeed. Targeted data analysis is critical to identifying and understanding specific needs within the school, including priority learners and is used to make informed decisions to ensure a culture of continuous improvement.

The school has a well-established communication network which delivers relevant and up to date information. The Board of Trustees and the Parent Teacher Association work positively to support the school and are a significant component of the collaborative approach to the analysis and use of achievement information for self-review.

The school operates a well-established distributed leadership model which effectively supports the management of change, succession planning and sustainability. The delivery of effective pedagogy continues to drive the culture of teaching and learning to ensure that value is added to each student's holistic learning and that they leave Papanui High School appropriately prepared for employment, training or further study. The recent formation of the Totaranui Kahui Ako – Community of Learning will support the longitudinal development of learners and support and promote best practice pedagogy amongst teachers.

NOTE: 2011 – Start of Curriculum alignment

2011 – Earthquake derived grades

Scholarships: 2017 – 3 Scholarships were awarded.

2017 Data not finalised by NZQA and will all potentially increase very slightly.

NCEA results continue to be very positive, with a continuation of improved outcomes for students. Of significant note is the achievement rate for level 2 and in particular level 3, with an improvement from 2016 (74.6%) pass rate to 2017 (85.3%) which was also above the national average. Our students continue to do well in achieving Merit and Excellence endorsements with the results showing that increasingly students are experiencing and striving for greater success. Students have been strongly encouraged to strive for personal excellence. This is supported by school wide involvement in academic counseling, which has proved to be a very positive process with staff, students and parents/caregivers. Academic Counseling is being used to support goal setting, mentoring and the monitoring of student progress. Part of the Academic Counseling programme is the school wide conference day,

	<p>which was attended by approximately 90% of our parent/whanau community. These results are evidence of continuous improvement and significant value added for students. When students are engaged, they will make progress and this has been reflected in their achievement. 3 Scholarships were awarded.</p>
<p><b>Student Engagement</b></p>	<p>A number of strategies are in place to support student engagement:</p> <p>Student attendance is monitored using the KAMAR Student Management System. Daily texts are sent out to parents/caregivers on the first day students are absent without a reason being given. If no response is received a letter is sent home within one week. Attendance is followed up by sending letters to the homes of students who drop below 80% attendance. This is tracked through year group liaisons and weekly meetings with our Attendance Service. The Rock On Programme also operates and the committee meet once a month. A school wide 'lateness system' operates alongside these systems.</p> <p>Engagement reports operate across all year levels of the school. Parents/ Caregivers receive fortnightly reports on a scale of 1 to 3 highlighting how engaged their child is in their learning. This information is used school wide and is embedded in the Academic Counselling programme.</p> <p>Information relating to our students is gathered through such processes as; Year 9 entry interview, Year 9 Transition Survey, Academic Counselling, the perception survey, student committees and councils and from specifically identified and targeted groups as appropriate.</p>
<p><b>School Organisation and Structures</b></p>	<p>BOT will ensure that PHS works in an inclusive way to meet its obligations under the Treaty of Waitangi</p> <p>“Any practice, activity or decision shall be lawful, prudent, ethical and consistent with best educational practice”</p> <p><b>Emergency Principal Succession:</b> In order to protect the board from sudden unavailability or loss of the Principal to the school, the Principal should have no fewer than two other senior managers sufficiently familiar with board and Principal issues, and processes to enable either of them to take over with reasonable proficiency as an interim successor.</p> <p><b>Health and Safety:</b> Provide a safe physical and emotional environment for students and staff and recognise the need to provide a safe environment for others using the school. (NAG 5)</p> <p><b>Students and other learners:</b> Develop and implement teaching and learning programmes as prescribed by the National Curriculum document with a focus on flexibility that ensures individual learning goals for all students. Ensure comprehensive assessment practices are in place to enable the progress and achievement of students to be evaluated. (NAG1)</p> <p><b>Communication and Support to the Board:</b> The principal will ensure the board is informed and supported in its</p>

	<p>work. Information will be provided in a timely, accurate, relevant and understandable manner. Any actual or potential risks will be reported to the board in a timely manner. The principal will foster a good relationship with the board and support the boards' holism. (NAG 2)</p> <p><b>Asset Protection:</b> Ensure on-going monitoring and the safety of school property and resources. Ensure any new development is in line with the schools goals and strategies, including maintenance, safety, security and appropriate risk management (including insurance). (NAG 4)</p> <p><b>Finance:</b> Financial planning ensures that the allocation of funds reflects the school's priorities as stated in the charter. Expenditure of school funds will be monitored and controlled to ensure prevention of theft and fraud, waste and to maintain solvency. In particular:</p> <ul style="list-style-type: none"> <li>•Reserves may not be used without the approval of the BOT</li> <li>•Protected funds may not be used for anything other than their purpose without prior approval from the BOT</li> <li>•Principals credit card and other unbudgeted expenses related to the Principal will be signed off at the BOT meetings</li> <li>•Financial delegations. (NAG 4)</li> </ul> <p><b>Personnel:</b> Be a good employer as defined in the State Sector Act 1988 and comply with the conditions contained in employment contracts applying to teaching and non-teaching staff. Provide a mutually supportive, development focussed learning environment that fosters collegiality to ensure best educational outcomes for our community. (NAG 3)</p>
<p><b>Review of Charter and Consultation</b></p>	<p>The Papanui High School charter will identify the mission, aims, objectives, directions and targets of the school, ratified by the Board of trustees, and will give effect to the Government's National Education Guidelines and the Board's priorities.</p> <p>The school consults with its school community on the development of the strategic plan. This consultation process takes place once every three years and is reviewed by the board annually. Where appropriate selected focus groups (e.g., Māori community, Pasifika community, parents of children with special needs) as identified by the boards annual review will be engaged in wider discussion.</p> <p>The current Strategic plan was formulated in 2016. The Education Review Office reviewed the school late 2014 and reported very positively in relation to the self-review processes. In light of the ERO review, the school undertook a full community consultation process in 2015 to review and reset the strategic direction for the next three years. Information is identified and gathered from the following sources:</p>

#### SWOT ANALYSES

- Analyses of the Strengths, Weaknesses, Opportunities and Threats (SWOT) of Papanui High School were carried out with all staff, 60 randomly selected students, and the Parent Teacher Association.

#### PERCEPTION SURVEY

- A Perception Survey collecting feedback on the school's performance in a wide range of areas is conducted with all staff, all parents, and 150 students every 3 years.

#### BENCHMARK INDICATORS

- Annual Benchmark Indicators from the MOE give base-line data on achievement

#### CHANGE PROFILE

- The Change Profile is administered to all staff. The profile focussed on readiness for school improvement

#### RESEARCH

- Data gathered was supported by national and international research.

#### CHARTER

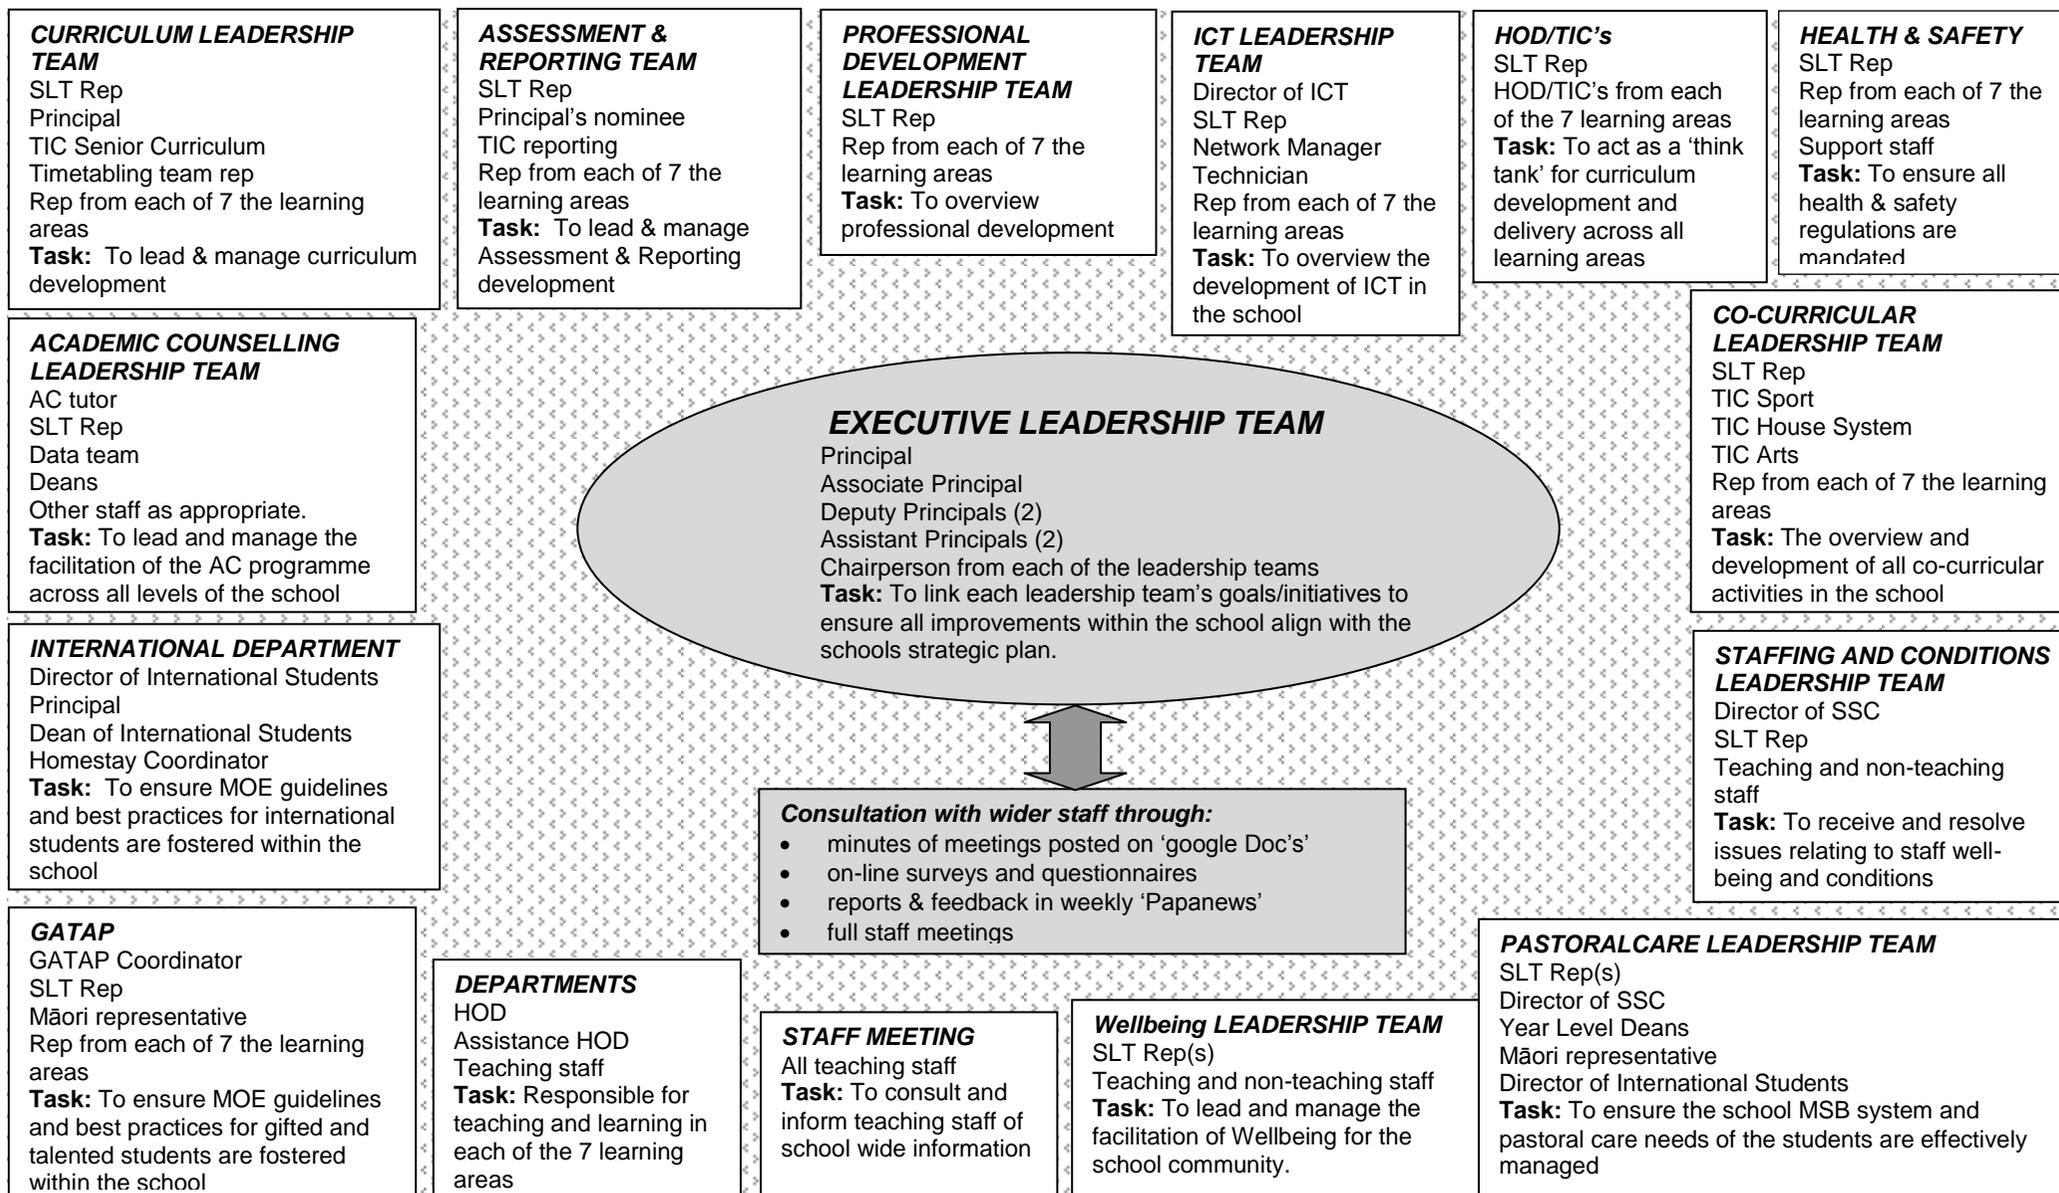

- The Strategic Plan reflects the school's obligations under the NEGs and NAGs which are contained in the school's Charter.

#### BOARD OF TRUSTEES

- Strategic perspective as governors of the school.

# Annual school Improvement Plan BUSINESS AS USUAL – OVERVIEW

- Distribution of reports to parents
- Provide a once fortnightly Engagement Report for all junior and senior students
- Research how improvements can be made by survey
- Liaise with Academic Counselling initiative to ensure sufficient and timely information is available to Form Teachers to generate meaningful goals and questions during student/teacher counselling sessions.

#### 2. Assessment

- Liaise with PD/Curr/ Exec Man to see to what priority/extent assessment practice has in the bigger picture for the following year
- Ensure that staff are familiar with advances in assessment theory & NZQA requirements
- Provide a forum to describe changes in assessment practice
- Research changes through literature search or by visiting pillars of assessment practice
- Lead changes that are agreed through staff development
- Timetable for whole school assessments eg Formative assessments for externals
- Set up of end of year examinations and liaison with Examination manager
- Ensure systems are established to monitor that student work is authentic in order to meet assessment requirements
- To monitor assessment procedures and ensure their manageability for staff and students well being

#### 3. NCEA

- Provide support to the Principal's nominee regarding policy for NCEA at Papanui
- Be involved with the internal review of NCEA procedures at PHS
- To Audit departments on their Assessment practices in line with NZQA expectations
- Ensure that entries for senior end of year NCEA examinations are appropriate and aligned with the Academic Counselling for senior students.

### 2018 Annual Goals:

Goals	Responsibility
<ul style="list-style-type: none"><li>● To continue to refine the 'Formative Assessment for externals' during term 3. This is to encourage greater student productivity with regards to effective learning and preparation for NCEA achievement as well as supporting teaching staff well-being.</li></ul>	A & R cte (Vnm, Hlg, Ata, Skm, Swt, Lnk, Byc, Rvi, Trp, Smt, Bks)
<ul style="list-style-type: none"><li>● To monitor and embed 'Real Time' reporting to ALL levels of the senior school (Y11-13) to ensure reporting requirements are being met.</li></ul>	A & R cte

<ul style="list-style-type: none"> <li>To further develop a quality assurance system for monitoring both engagement reports and written reports (mid/end year for juniors &amp; real time for seniors) to ensure they meet best practice standards re: completion on time, consistency and quality.</li> </ul>	A & R cte
<ul style="list-style-type: none"> <li>To prepare for our 2018 MNA and ensure appropriate systems are in place to meet NZQA requirements and for best assessment practices.</li> </ul>	Hlg, Ata
<ul style="list-style-type: none"> <li>Continue to review junior assessment practices/procedures across departments to check re: consistency, methods used, and reporting grades/levels used.</li> </ul>	A & R cte
<ul style="list-style-type: none"> <li>To make assessment and reporting preparations for working across schools as part of the 'Totaranui COL'</li> </ul>	A & R cte

Note: Students completing assessments at the end of the year during the catch up time need to be co-ordinated by AC & A & R committees. It was unclear who was overseeing this role this year. There is also concern about the integrity of the process where some students have chosen not to re-submit during the year & are now being offered further assessment opportunities in November.

### Co-curricular Leadership Committee

#### Business as Usual

- The committee has approximately 12-15 members, including student representation. Several staff on this group report back on their specific areas of responsibility, in our meetings which are 2-3 times a term. Some members of the committee don't necessarily run groups/events but act as a liaison between the individuals that do around school or within the committee
- This leadership group oversees and provides feedback on the running of already existing Co-Curricular activities in the school e.g. School Council, Sports and Health Council, Arts Council and Visual Arts Council, Year 12 Leadership team, Houses, Peer Support, School productions, and Fundraising.
- We provide new opportunities for students to develop leadership skills through a range of activities including Leadership Development teams, Councils, Sport, Arts, Culture, Community Activities and Service.
- The role of the committee is also to encourage student led initiatives, enhance school spirit/ pride and ownership, discuss school wide co-curricular issues, make decisions surrounding new initiatives, and distribute co-curricular funding if and when required.
- Encourage all students and staff to continue to be involved in the wide variety of co-curricular activities offered by the school.

#### 2018 Annual Goals:

## Goal 2

### Improvement Plan - Domain: Learning Year 13 Engagement Goal

#### Strategic Goals:

Improve outcomes for all students, particularly Māori, Pasifika, and students with special needs.

To improve Year 13 student engagement to accelerate the progress of students performing below expectations (Building of longitudinal data, 2014)

Part Two: Engagement results at the end of Term 3 2018 will be analysed to see the correlation of engagement scores to NCEA Level 3 outcomes for 2014 cohort. (Data will reflect all students who were eligible to count through participation in NCEA level 3 only)

#### Annual Goal:

To improve student achievement, particularly for Maori, Pasifika and students with special needs by enhanced engagement of Year 13 students through appropriate class placement and learning programmes.

#### Annual Target:

For students in the target groups (Y13 students who were eligible for level 2 attainment) and;

- Did not pass level 2, 2017 and are predicted to not pass level 3 2018
- Did not pass level 2, 2017 and are predicted to pass level 3 2018

**Annual Target Part Two:** Analyses the correlation of engagement scores to NCEA 2018 results for 2014 cohort.

Engagement results at the end of Term 3 2018 will be analysed to see the correlation of engagement scores to NCEA Level 3 outcomes for 2014 cohort. (Data will reflect all students who were eligible to count through participation in NCEA level 3 only)

### Goal 3

#### Improvement Plan - Transition Goal

**Strategic aim:** All students have a successful transition from traditional contributing schools and other providers to, through and beyond Papanui High School.

**Annual aim:** Monitor the 2016 contributing schools cohort into Year 9 2017 to track the effectiveness of data gathered, and the class placement process and implementation as they progress through the year levels.

**Target:**

Part 1: To identify at risk students who were identified as disengaged on transition into PHS as Year 9 in 2017, and students identified as disengaged and throughout their Year 9 year.

Part 2: To evaluate effective transition of Year 10 -13 students who enrolled at Papanui high School January 2018 until March 1 12018.

Part 1

From the identified Year 9 at risk grouped by the following criteria;

1. Students identified and placed but required moving
2. Students identified and placed but not successfully transitioned and not moved
3. Students not identified and placed but required moving
4. Students not identified and placed but not successfully transitioned and not moved

Analyse the group as Year 10 students to see if their transition process has been successful  
This will be based on attendance, behaviour and engagement.

Part 2

Analyse the identified group of Year 10 -13 students to see if their transition process has been successful  
This will be based on attendance, behaviour and engagement. Two groups, one identified as at risk and the other as not at risk.

**Baseline data:** Part 1: This data was gathered by using information from contributing schools, including such things as RTLB, attendance data, Rock On, other agencies and pastoral data and Year 9 pastoral records.

Part 2: Year 10 -13 students, entry data gathered through the enrolment process and tagged as at risk or not.
