

Papanews Community Edition

Friday 6 July 2018

Principal's Perspective

We have come to the end of another busy term.

On Thursday evening we held our Junior Report Evening for our Year 9 and 10 students, and their parents and caregivers. We thank those who were able to attend. We hope you found this evening supportive. Evenings like this form part of our on-going commitment to providing information and opportunities to gain a greater understanding of the progress your child is making by talking with their subject teachers. I would also like to acknowledge and thank the PTA for providing light refreshments on the night.

During this last week of term our Music students have been away on their Nelson tour, with very positive reviews coming back to date.

I would like to thank all of our staff for their efforts during this past term, and wish both them and our student community an enjoyable and restful holiday time.

As we go into the holiday break there is an opportunity for students to balance out some school work, with a bit of rest and recreation. I look forward to Term 3 when students return recharged, and set to take another step along their learning pathway.

Character Design Competition Finalist

Congratulations to Kyla Radley (Year 13) who has earned a spot in the Top 10 finalist entries for the Light and Dark National Secondary Character Design Competition run by Yoobee School of Design Christchurch, and the Animation College. The winner will be announced next week.

Year 12

The end of term has brought some of the most memorable events and highlights of Deaning so far. The school Formal is a perfect example of that. The students were stunning, handsome, beautiful, and conducted themselves in a mature manner. I would like to personally thank staff members Josie Welch, and Natasha Marshall, and the student formal committee for the hours of work they put in to make it such a success. Bring on next year when it is our year level's turn to organise it.

Another highlight for me this week was attending the Emerging Leader's Conference at Christ's College, with twenty students from the Year 12 Leadership programme. We got to listen to some inspirational speakers, in particular Marcus Akuhata-Brown, whose journey into leadership was accidental, but he had that one significant person in his life who believed in him. His story was moving and taught us a lot about being a good human with leadership, not always leading from the front. Special mention to students Nikhil Prakash, and Emma Logan, who presented in front of 650 students from across Canterbury, and represented Papanui High School with pride.

I look forward to the next half of the year, and more highlights from our talented year group.
