### Principal's Perspective

I would like to acknowledge the staff and students who competed at the Southern Jam competition in Blenheim recently, and congratulate them on their outstanding success. The Big Band and the Jazz Ensemble won Gold, two students took out individual awards, Mathijs Rijnberg for best keyboardist and Yusuke Ito for best guitarist, both were selected as members of the All Stars Band. To cap off the night, the Big Band were awarded runner up for the whole competition. A more detailed report can be found in a following article.

Junior Speech competitions were held on Tuesday. This event is facilitated by the English Department and was well supported by family, friends, and staff. The quality of the speakers was exceptional, and their speeches reflect a significant degree of social awareness, critical thinking, and were delivered with a high degree of confidence. Congratulations to the six finalists. (winners in the following article)

On Thursday 30th, and Friday 31st August, the school presents Infinite 2008, the annual Dance showcase spectacular. A large number of students have worked incredibly hard developing choreography and learning performance pieces. These nights provide a wonderful opportunity for their hard work to be shared with our community, and I encourage you to come along and enjoy and celebrate these talented students.

Next week I will be travelling with the school's Director of International Students to Japan. We will be meeting with parents of current, past, and future students, schools that have students with us, and those that will be attending next year, and then also with a number of agents. During my absence Mike Vannoort will be acting Principal.

## Junior Speech Competitions

On Tuesday 21<sup>st</sup> August six students from Year 9 and 10 participated in the annual Junior Speech Competition. They presented speeches of at least four minutes on a range of topics from 'The Future of Food', to 'Sustainable Energy'. Our adjudicators, Denis Pyatt and Katie Mills, were impressed by the students' ability to explore complex topics and speak confidently and convincingly. A special thanks to Chloe Hawthorn for being our MC and keeping the audience entertained in between speeches.

Our congratulations to the winners:

## Changes to Car Parking Outside of the School Gates

There have been some changes to the car parking on Langdons Rd (outside the school gate) that parents/caregivers need to be aware of when dropping off or picking up students from our school.

The Christchurch City Council Traffic Operations team have installed P3 (park 3 minutes) parking restrictions between the hours of 8am to 9am and 2.15pm to 3.15pm directly outside the school gate. These changes have come about due to there being significant concerns regarding the safety of people at the start and end of the school day, when this area of Langdons Road is particularly busy.

We encourage parents/caregivers to use this facility respectfully when dropping off or picking up students. Parking Officers will be enforcing this directive at the times indicated on the signs.

Thank you

## Musical Success

### SOUTHERN JAM 2018

The Papanui High School Jazz musicians have had a very successful competition season in 2018. This year has seen the Big Band and the Jazz Ensemble take out Gold at this year's Southern Jam. Under the Directorship of Papanui music teachers, Georgina Rees-Stevenson, and Mr Steve Gill, the band played superbly and gained a gold out of a field of nearly fifteen schools, and over 25 bands. Mathijs Rijnberg took home best keyboardist, and Yusuke Ito took out best guitarist. Both were selected for inclusion in the All Stars Band. This is an honour and a challenge as the judges select only those they consider to be the best on each instrument. Then, after only two hours rehearsal, they perform at the Gala Concert.

But the best award came right at the end. The Big Band took out runner up for the whole competition. The students have come back buzzing and are already planning their repertoire for next year and getting ready to start work, aiming for even greater success in 2019!

### VOICES OF CANTERBURY

The Voices of Canterbury Festival, held on Tuesday the 14th of August, provides an inclusive performance opportunity for vocal groups from Canterbury. The concert contains an eclectic mix of traditional choir groups as well as theatre groups and offers a fantastic chance for students to be themselves and show their talents. This year was no exception with some highly creative pieces being provided by the Hagley Theatre Company - one of which was a highly comical 'Flight of the Conchords' piece. A moving rendition of 'Hallelujah' by Jeff Buckley in Te Reo Maori, by Linwood College was a highlight of the night as of course was the Papanui "Vox" choir who performed their set that included 'Just The Way You Are' by Bruno Mars, and 'Take Five' by Dave Brubeck.

The small but perfectly balanced choir was accompanied by Vernon Easter on Piano, and earned the certificates for best 'Jazz rendition' and 'best remix of an acapella song'. They performed wonderfully on stage, received a rapturous applause and then took part in a massed item at the end of the concert where they performed 'Don't stop me now' by Queen.

Throughout the afternoon, the choir got to take part in workshops with experts in the Performing Arts field. These included an acapella workshop where students got to practice their beat boxing skills, a vocal technique workshop, and even a dance workshop in which students were pushed out of their comfort zones. This was a great way to get to know students from other schools, was highly educational and was a lot of fun.

The choir was led by Alexander Reeves, and included Brianna Alsford, Shona Anderson, Maddison Bayliss, Elizabeth Bracefield, Zoe Helleur, Theo Henderson, Hannah-Grace Horton, Emma Lilly, Myrna Reid, Olivia Shakespeare, Quan Tay, Olivia Welsh, Larissa Wilson, and was accompanied on Piano by Vernon Easter.
