

Principal's Perspective

This week has been extremely busy with the Year 12 Outdoor Education Snow trip, Year 10 to Year 11 Course Selection evening, and the Infinite Dance showcase, which was held on Thursday and Friday evenings – all on top of the usual teaching and learning that takes place in our school. Thank you to all those staff and students who contributed to making each of these events such a success.

Senior students have just received their timetable and information relating to their 'Formative Assessments' which will be held during Week 9 of this term; 17 – 21 September. These assessments are to assist in their preparation for their external exams later in November. It is important they take these assessments seriously and study hard as well as manage their time wisely. Senior students will only be required to be at school during assessment week if they have an exam, other type of assessment, or arranged tutorial or practical work as indicated on the Examination timetable. They should take advantage of this time to study and catch up on school work, complete assignments and other course related work. They are encouraged to study at home or if they want to come into school, they can use A12 – the careers room for quiet study. 'Managing self' will be critical for senior students over the next few weeks in the lead up to assessment week.

Next week many of our students will be playing in their respective Winter Sports tournaments around different cities and towns in the South Island. We wish them safe travel and a wonderful time as they compete against other schools from around New Zealand.

Mr Jeff Smith, our Principal is travelling in Japan at present for two weeks to visit host families and for marketing purposes, so I am 'Acting Principal' during his absence.

Thank you for your continued support of our school.

Year 12

The year is rapidly coming to an end, with awards season and external examinations rapidly approaching for our senior students.

It was fantastic to see such a great turnout from our caregivers and parents on Course Selection Evening. The number of new courses and providers that are available to the students after they complete their secondary education continues to grow, so the support that was offered by friends and whanau to see what is out there is extremely valuable.

Study and preparation for our Formative Assessment Week in Week 9 should be well under way. During this week there are no senior classes, however, students are required at school when their examinations are on. This allows us as staff to give feedback to the students, to ensure that they can reach the academic goals they have set with their Academic Counsellors.

On Friday, those Year 12's who are interested in running for the Head Student Team in 2019, will be hearing about the application process, and what is required in being a Head Student. We are lucky in this year group, to have a number of students who have already exhibited leadership potential in the community, or around school.

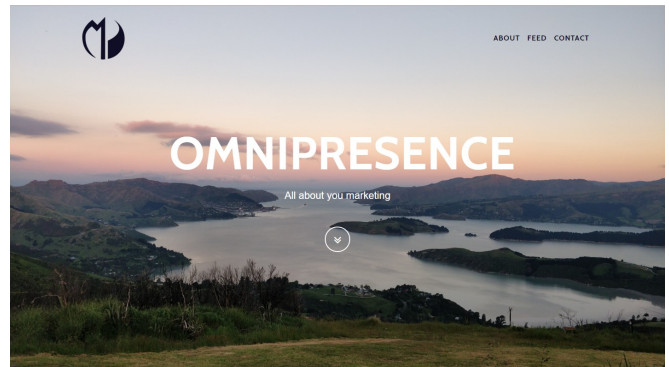

Thank you for the continued support.

2019 Board of Trustees Elections

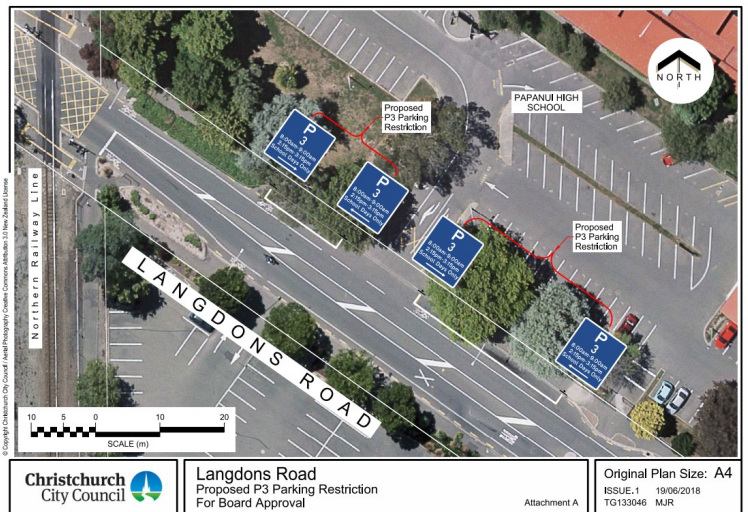

In 2019, triennial elections will be held for parent representatives on the Board of Trustees. If you are interested in potentially joining the board next year, sitting in on a meeting to get a 'feel' of what the role entails, or interested in speaking to a board member, please contact the Principal's PA, Mrs Julia Walmsley on: wmj@papanui.school.nz

Changes to Car Parking Outside of the School Gates

There have been some changes to the car parking on Langdons Rd (outside the school gate) that parents/caregivers need to be aware of when dropping off or picking up students from our school.

The Christchurch City Council Traffic Operations team have installed P3 (park 3 minutes) parking restrictions between the hours of 8am to 9am and 2.15pm to 3.15pm directly outside the school gate. These changes have come about due to there being significant concerns regarding the safety of people at the start and end of the school day, when this area of Langdons Road is particularly busy.

We encourage parents/caregivers to use this facility respectfully when dropping off or picking up students. Parking Officers will be enforcing this directive at the times indicated on the signs.

Thank you

2018 Lip Sync Battle

Last week saw the long awaited return of the Papanui High School Lip Sync battle. There was a huge turnout for everyone dancing along to their favourite tunes, and competing for their houses. This year was a resounding success, seeing a diverse range of songs and thunderous applause from the audience.

Judging the performances were student leader Kent Sole, head singer of the staff band Mr Campfens, and Alex Reeves, a member of the Arts Council, which helped organise the event. The winner of the Wednesday house competition was Ethen Noesgaard, a fan favourite who also won the same prize last year. The next day was also a resounding success, with many teachers participating in acts of their own, to great effect. We can't wait until the next one rolls around.

Neighbourhood Week 2018-19 – Let's Get Together This Summer

Neighbourhood Week is now all summer long! from 27 October 2018 to 31 March 2019. Are you wanting to organise a Neighbourhood gathering this summer? Neighbourhood week is about bringing people closer together, getting to know the people who live close to you and celebrating the unique and diverse mix of each neighbourhood. So why not organise a local gathering to get to know your neighbours, community, family group, or sports team!

Applications are open until 7 September at 5pm. Find out more by heading to www.ccc.govt.nz/GetTogether.

connecting communities

Thinking about spring cleaning your house? Keep Papanui High School in mind when you do!

The Papanui High School PTA will be organizing a school Webfair in the spring and to make this successful, we need your help.

Do you have any unwanted stuff or perhaps things you no longer need or that no longer fit, you would like to donate? Do you know any companies or organisations that would be interested in donating goods, products and/or services? Restaurants, that might be willing to donate vouchers? Or other shops? If yes, please contact Caroline at: cvanzoggel@hotmail.com

The more items the better!

Sales proceeds will go directly to Papanui High School.

If you have any questions about how this all works, please check out Webfair at: <https://webfair.co.nz> or contact Caroline. We look forward to making this a great Webfair!
