### Principal's Perspective

This week has seen our senior students sitting 'Formative Assessments' to assist in their preparation for the NCEA external exams later in the year. These assessments are an important step in ensuring students are preparing for their external exams in November, while also providing a potential derived grade should that be needed. Senior students will be given valuable feedback from these assessments on how they are progressing, which they should use as part of their preparation process heading towards those external examinations. Students have also been working through the process of completing internal assessments. As we move into Term 4, students should be thinking about reducing their part time work hours where appropriate, engaging their study plan, and talking to their teachers to support their ongoing learning.

I would like to thank the junior school who have busily gone about their daily routines around learning, particularly over the last week when we have had some rooming and time-table changes and an awareness of the need to have quiet areas when assessments are taking place.

We are closing in on the end of a very busy term. Next week will include our traditional Extravaganza Week, which will provide a range of fun activities during the lunch breaks, culminating in an extended lunchtime Carnival on Friday.

Jeff Smith  
Principal

## Year 10

Kia ora from Year 10. This third term has been full and engaging, and tiring from my perspective. We have completed course selection for your children, and thank you for the conversations and patience that went with these choices. At times they are not easy, as we begin our journey towards NCEA Level 1. If there are any further questions, then please do not hesitate to contact me.

This term our Year 10 students went away for tournament, took part in full curriculum and co-curricular events, from Music to Dance. With a young family I am not always able to make these events, but I always hear how successful they are, and the parental and community support is always greatly appreciated.

Next term is a realisation that there are only 22 weeks before our year group begins NCEA. There will be a gentle push to prepare students for this, as the work towards this began last year. Additionally we also look forward to Year 10 Outdoor Education camps, Junior Work Day, the Awards evenings, and the historic 100 year Armistice celebration at the beginning of Week 5, to name a few.

We look forward to Extravaganza Week next week, the baking, student vs staff events, and the finale on Friday with Carnival day. Please have a safe, restful, and enjoyable term holiday. Until you hear from me next term.

Nga mihi nui,

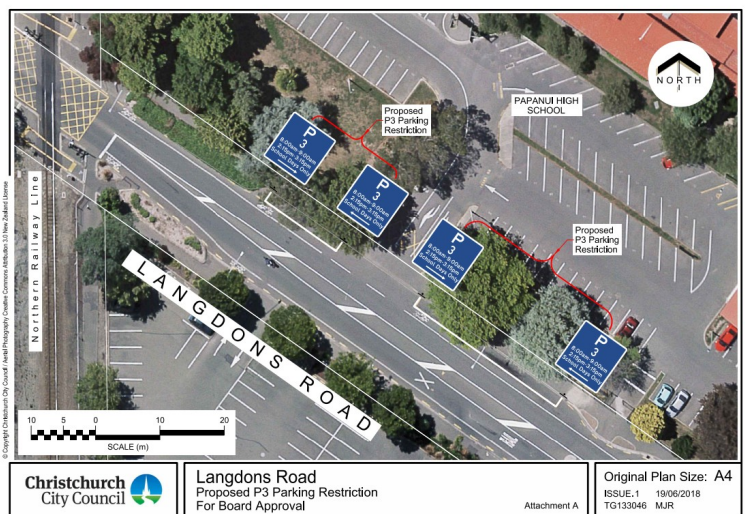

Mr. Joe Holland  
Year 10 Dean

## Changes to Car Parking Outside of the School Gates

There have been some changes to the car parking on Langdons Rd (outside the school gate) that parents/caregivers need to be aware of when dropping off or picking up students from our school.

The Christchurch City Council Traffic Operations team have installed P3 (park 3 minutes) parking restrictions between the hours of 8am to 9am and 2.15pm to 3.15pm directly outside the school gate. These changes have come about due to there being significant concerns regarding the safety of people at the start and end of the school day, when this area of Langdons Road is particularly busy.

We encourage parents/caregivers to use this facility respectfully when dropping off or picking up students. Parking Officers will be enforcing this directive at the times indicated on the signs.

Thank you

## 2019 Board of Trustees Elections

In 2019, triennial elections will be held for parent representatives on the Board of Trustees. If you are interested in potentially joining the board next year, sitting in on a meeting to get a 'feel' of what the role entails, or interested in speaking to a board member, please contact the Principal's PA, Mrs Julia Walmsley on: [wmj@papanui.school.nz](mailto:wmj@papanui.school.nz)

## Soiree 2018

We were treated to a great night of music at this year's Soiree, held on Thursday 13<sup>th</sup> September. After an absence of two years it is wonderful to see the Soiree back on the school calendar. This is the Music Department's yearly opportunity to share its wealth of student talent and creativity with the wider school community. Those attending experienced a range of music spanning multiple genres and formats, from Rock through to Classical, and much in between. We even had an intervention from the Drama Department as our celebrated Theatre Sports Team entertained during one of the set changes.

The standard of music was consistently high across all the groups and solo performances, which made for a terrific concert overall. The annual Music Cups were presented with awards going to our top eight music students. The event ran seamlessly thanks to the hard work and dedication of HOD Mr. Dave Pitt and his team, and the commitment of all the students, both performing and in technical support roles. Soiree is both inspirational and entertaining, and we look forward to being wowed again in 2019!
