

## Papanews Community Edition

Friday 2 November 2018

### Principal's Perspective

On Tuesday we held the last senior combined assembly for the year. Important information in relation to the external exams was presented, as well as the procedures to senior sign out on Monday the 3<sup>rd</sup> of December. This also provided a chance to thank the senior school as a whole for their contributions to their 2018 school year, and to acknowledge Year 11 and 12 students who will not be attending prize giving, but are leaving at the end of this year, all the very best for their future.

On Thursday we had the International Students' Farewell. This was an opportunity to acknowledge and thank our home stay families, and also to present leavening certificates to a large number of international students, some of which have been with us from three to five years.

Next Monday evening we look forward celebrating the Senior Prize Giving and Year 13 Graduation. This evening celebrates the success and talents of our students, and I invite all family and whanau to join us at 7.00pm at the Horncastle Arena in Addington.

### PAID UNION MEETING

On **Friday 9<sup>th</sup> November**, Papanui High School teachers, along with all other Christchurch high school teachers, will be attending a paid union meeting to discuss their Collective Agreement. The right to hold a meeting of this nature is contained in the Secondary Teachers' Collective Employment Agreement.

**Please note: NCEA Exams will continue as normal.**

## Year 13

Over the next few weeks we are going to ask our Year 9 students to actively reflect on their academic progress across all of their subjects, with our final Academic Counselling sessions taking place. We will be discussing whether they have achieved their goals for the year, and also review their option choices for 2019 to make sure they are heading in the right direction, not only in terms of taking subjects they like, but also ones where they will experience success in.

With the warmer weather coming, and only junior students attending classes in the school, we need to make a concerted effort in keeping focus and motivation over the remaining weeks. With senior students away on study leave next week for NCEA exams, it is essential that our junior students remember to give them the best opportunity for success, and to keep quiet around the Hall, P block and also the Study Centre.

It has been pleasing to see the sheer numbers of students being involved in a range of activities throughout the year, wanting to contribute to the wider school. This week we have seen our students collecting cans for the City Mission annual appeal. It is humbling to see students understand the importance of giving back to others in our community, and do so with such generosity. This is a theme that will continue later in the term with our Work Choice afternoon, where students will be asked to raise at least \$10 each for the Teenage Room at Ronald McDonald House.
