17. Blanket Consent for EOTC

Education Outside The Classroom (EOTC) is the name given to all events/activities that occur outside the classroom, both on and off the school site. This includes co-curricular events also (e.g. sport, music, etc.)

Our school believes in using a range of environments and experiences to enhance our students' learning.

We have ready access to the beach, rivers, mountains, and the bush in our area and beyond. We are also close to various built environments in our community, such as local businesses and recreational facilities. These areas offer rich learning opportunities for our students. Our students need to learn how to be safe both in and out of school. Thus some of the learning for students occurs beyond the school site and this document is seeking your consent for your child/ren to participate in such learning.

Yours sincerely,

Jeff Smith (Principal)
