

Principal's Perspective

Last Saturday our students participated in the Pasifika Polyfest Celebration, and what an outstanding performance they produced, this was a rescheduled event following its postponement from March in Term 1. It was fantastic to see so many schools still being able to participate in this, particularly as it clashed with a large number of Saturday winter sports. It was great to see all schools having pride in their performances showcasing joy, happiness, and Pasifika flair.

I would like to sincerely thank our parents, whānau, and caregivers for supporting the Academic Conference Day held last Thursday. As a school we are hugely appreciative of your commitment to the shared responsibility of supporting our students to achieve to the best of their ability. I would also like to acknowledge the students and staff for the parts they play in this conferencing process. With upwards of approximately 90% attendance the day was an outstanding success. Having an opportunity to discuss students' academic progress, and identifying the steps that can be taken to support and improve their achievement is critical to their ongoing success.

The Music Department's annual tour of Intermediate schools was held on Wednesday. The Jazz Band, Flute Ensemble, and the Concert Band performed at three local schools. These visits provide an opportunity to showcase both the talented music students, and promote the school to our community.

On Friday our Year 12 students attended the Careers Expo at Horncastle Arena. This is part of broadening our students' understanding of life beyond school. The day provided a wonderful opportunity to support students' thinking and planning in relation to their future, complementing the timing of the Academic Conference day.

I have started the process of visiting our contributing schools this past week by going to see the Year 8 students at Breens Intermediate. Accompanying me are student leader representatives from both Year 9 and Year 13, who have been past students of the school. Next week we will visit Casebrook, Belfast, and Heaton as part of our preparation for our Open Night on Tuesday 21st May. The feedback is extremely positive, and the students are wonderful ambassadors for our school.

In finishing, I would like to acknowledge the senior students who have contributed through the Senior Work Day, as the first step of our fundraising this year, for Ronald McDonald House.

Principal

Senior Workday: Thursday 9th May

Thank you so much to all Year 11-13 students who have participated in the Senior Workday. Ronald McDonald House will be incredibly grateful for your contribution.

A reminder that monies can be deposited through the School bank account with a reference “**(Students Name), Workday**” 123147 0225793 00. Or, the money can be paid through the school office. The closing day for payment is **Thursday, 23 May 2019**.

It is a donation. While there is no compulsion for each student to have raised a minimum of \$10, the school feels this amount is appropriate and supportive.

Well done! Mr Kirby, Deputy Principal

2019 Board of Trustee Elections

School 2019 Board of Trustee Elections

Canterbury Education Services (CES) are providing BOT election services for our School in the forthcoming BOT elections.

In May nominations will be called to become members of the Board of Trustees. Key dates are as follows:

By Friday 10th May	Nomination forms will be posted to all persons on the school's caregiver roll.
Friday 24th May	NOMINATIONS CLOSE – 24 th May at noon. An election will then be held if the number of nominations exceed vacancies. For our school the number of parent vacancies is 3.
Wednesday 29th May	Voting papers will be sent by post to all on the school caregiver roll.
Friday 7th June	Voting closes at 12 noon.
Thursday 13th June	Votes are counted, and the school is advised of the results.
Friday 14th June	New Board takes office

Congratulations

During the April school holidays Boston Beanland (Year 12) attended the St John Youth National Festival 2019 in Auckland where he was part of a squad of four Cadets representing the South Island Region in the National Competitions for St John. His results were extremely impressive indeed, and among other awards, he was part of the overall Champion Team for New Zealand, together with being a part of the Overall Champion Winning Region. The South Island Region has now won this prestigious title seven times in a row.

Year 11

Kia ora from Year 11 and to this second term. We have dived straight back into school work and yes, a big part of this term is our continued journey together toward NCEA Level 1. Assessments for most students are well underway, and I will again ask that you engage with your child to help them understand requirements of assessments, and for any questions they have, to please approach their class teacher.

We have just had Academic Conference day, personally this was a very rewarding time as I have a group of students I manage. The interactions with students and parents are invaluable as the discussions look to plan future pathways, or the immediate further conversations that need to be put in place for support. This term in assemblies I will be reinforcing the need to stay on top of assessments and learning. Additionally I will be explaining to students not to compare themselves against each other, because all students have a unique timetable, and therefore a unique set of assessments that are specific to them only.

This term has already seen Year 11 students involved in Polyfest, winter sport is about to begin, and a range of students continue to excel in differing pursuits from Rhythmic gymnastics, table tennis to the Rally of New Zealand. Some of these opportunities lie out of Papanui High School, but many opportunities lie within the school community, I frequently remind students of these. Lastly I will again call on all students to support and help each other with assessments as it comes with a greater level of work required and stress that needs to be managed.

That is all from me this time, take care and I look forward to updating you all again soon.

Nga mihi nui,

Mr. Joe Holland
Year 11 Dean
Kaitiaki Tau 11

INAUGURAL EXHIBITION SHOWCASING UP & COMING ARTISTS

The Creators' Room are holding their inaugural art exhibition from 23-26 May 2019 in the Deloitte Building (Level 1, 151 Cambridge Terrace).

The Creators' Room is a new organisation which launched in Christchurch in July 2018. The initiative aims to provide Christchurch Secondary Schools' Senior Visual Artist students (Year 11-13) with a platform to sell their works and be recognised for their talents. A total of 1,282 artworks across 16 Christchurch secondary schools were submitted to The Creators' Room selection panel in September 2018. Last year's winner was the recipient of a \$3,000 scholarship for further education in Visual Arts. The other 50 finalists have also been selected to become a part of The Creators' Room - 2019 Collection. The online gallery (www.thecreatorsroom.co.nz) will be selling limited edition prints of the students work. Original work will be up for sale during the 4-day exhibition with prices ranging from \$200 - \$800.

Twenty guest artists from around Canterbury will also be exhibiting at the May exhibition.

During the selection process, the Creators' Room judging panel identified 15 Top artists from the 51 finalists – these works will be setup as a blind auction running over the 4 days of the exhibition.

Papanui High School has three students in the top 15 pick, and had more students selected as finalists than any other school.

Current and past students that will be exhibiting:

Sarah Bunton
India Walton
Emma Kim
Abby Baillie
Liam Miles
Aimee Sullivan
Geoffrey Symes
