

Principal's Perspective

Kia Ora,

On Tuesday evening we held our Open Night from 6.30pm to 8.30pm, and welcomed over 1000 visitors, both parents and prospective students to our school. We were very thankful for the wonderful turnout and also appreciative of the efforts by both our staff and the several hundred students who acted as Open Night guides and subject helpers with displays. The feedback to date from Open Night has been very positive.

On Thursday during the day, we held our school cross country. Congratulations to all participants, especially those who were successful in gaining places in the competitive component of the event. There is an overview of the day later in this newsletter.

Michael Stevenson PPTA General Secretary has provided the **Formal Notice of a strike**. The key points are as follows

- The school has received a formal notification of a strike. The nature of the strike is a cessation of work by all PPTA members whose employment falls under the coverage clause of the Secondary Teachers' Collective Agreement 28 October 2015 – 27 October 2018.
- The **strike day will be Wednesday 29 May 2019**. The schools affected by the strike are all New Zealand state and state integrated secondary schools.

On Monday 27th May, the Principal Mr Smith and the Associate Principal, Mr Vannoort will be resuming their roles on return from their conference.

Acting Principal

PPTA - INDUSTRIAL ACTION - Wednesday 29th May

PPTA INDUSTRIAL ACTION – Wednesday 29th MAY

Members of the Post Primary Teachers' Association have been instructed to take industrial action on **Wednesday 29th May**. As no PPTA members will be available for teaching duties on that day it will not be possible to run normal classes. **I would therefore ask that students be kept at home on Wednesday.**

For any students who do attend, supervision will be arranged. Please phone the school office (on 352 6119) if you require supervision for your child.

If this industrial action is called off, I will send an updated notice home.

Yours sincerely,

Jeff Smith
Principal

Year 13

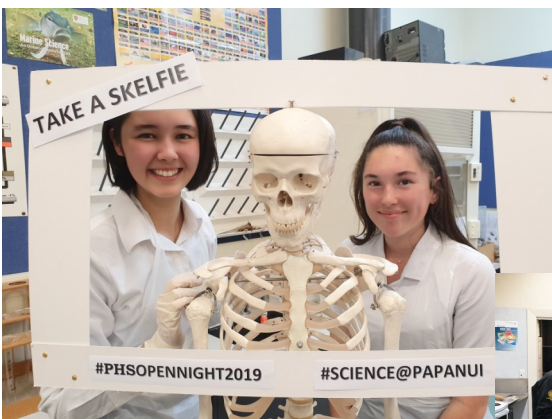

Term 2 started for the Year 13's, with a number of events that will make a difference in helping decide where their future lies after the end of this year.

As always I appreciate the high level of support in meeting with your child's Academic Counsellor on Conference Day. These meetings are so valuable in terms of supporting the students, and in providing the information to help you understand what is needed for them to continue life after secondary school, when the support networks start to shrink. There are many Careers events coming up where different Tertiary providers will be coming to school to meet with students who are considering studying at the end of this year. These meetings are important for our students as they are the experts of their organisations, and can answer the questions as Academic Counsellors, we may have.

The formal season is almost upon us. The students are working well behind the scenes to make it a night to remember for their last high school formal. It is fun working with a group of students who are enthusiastic and have creative ideas. The theme is "Written in the Snow" - along the lines of a Winter Wonderland. The students will make sure to tell you it is not Frozen for High School Students.

Thank you for your support this term (now that we are almost half way there) and be prepared for the second half of the year with Leaver's information coming your way.

Tania Sapwell
Year 13 Dean

Music News

Intermediate Tours 2019

The Music Department's annual tour of Intermediate schools was held earlier this month, we visited three schools - Casebrook, Breens, and Heaton Intermediates. The day began with the Jazz Combo, Jazz Band, Flute Ensemble, Year 13 Dance Group, soloist Cameron Joe, and the Concert Band, performing for a fabulously attentive audience at Casebrook Intermediate. The transitions from school to school ran very smoothly with both students and staff setting up and packing down like a well-oiled machine. Our three soloists each performed at consecutive schools beginning with Cameron at Casebrook, followed by Alexandra Reeves at Breens, and Hannah-Grace Horton concluding the day at Heaton intermediate. The feedback from the schools has been uniformly positive, they were all 'wowed' by the quality and professionalism displayed by our, let's face it, very talented students.

Outstanding Students – National Achievements NZSSSO

Papanui High School would like to congratulate Quan Tay, and Olivia Shakespeare, who successfully auditioned for inclusion in the 2019 New Zealand Secondary Schools' Symphony Orchestra course. Olivia Shakespeare on Cello, and Quan Tay on Trumpet. Olivia also earned her special 4th year NZSSSO badge to celebrate four years playing in the course. The course offers a week long immersive symphonic experience culminating in a full concert performed at the Charles Luney Auditorium and is a highly sort after event amongst young musicians. Papanui High School is both proud of, and delighted to acknowledge, the achievements of these two outstanding students.
