

Principal's Perspective

Kia Ora,

We have now completed Week 8 of the term, and a feature has been the school's production of Beauty and the Beast Jnr, which has run over three nights. The final matinee will be held on Saturday 22nd at 2.00pm, and this will be your last chance to see the show that has received great reviews.

Junior Reports for Year 9 and 10 students are now available, and have been shared with parents and caregivers electronically through the Portal. These can be accessed in the same way as Engagement Reports.

Parents and caregivers are reminded to book their interview times for the Junior Report Evening being held on Thursday 4th July, between 6.00pm and 9.00pm. They should do this via the Teacher Interviews website: www.schoolinterviews.co.nz The access code will be emailed home with the reports.

On Thursday night we welcomed the new members of the Board of Trustees, with their first official meeting. Congratulations to Mr Shane Watson who was re-elected as the Board Chairperson, and Mrs Tina Barriball who was re-elected as the Deputy Board Chair. As a school, we look forward to working with the new Board of Trustees over the next three years in their governance role, supporting Papanui High School.

A reminder that the PPTA have called off all further industrial action that was sign-posted for the remainder of this term. See the paid union notice below.

Year 11

Kia ora from Year 11, for the second time this term. What an exhausting term it has been, as our students are now in the midst of their learning and NCEA. Please make sure you take the time to speak with your child to help them understand requirements of assessments, and to know what credits they have achieved or not achieved, and for any questions they have, to please approach their class teacher. Over the coming weeks, I will be emailing a series of communications if there is any concern over the overall achievement for your child for NCEA Level 1.

Over the last few weeks, some of our Year 11 students have had the opportunity to visit SIT (Southern Institute of Technology) in Hornby with our Careers Department. Students looked into courses such as Tourism and Hairdressing. Additionally, last Thursday students also visited ARA during their Open Day and checked out potential tertiary study. On Wednesday we had students at SPAC PAC (Specifically Pacific), a programme that provides students with information and celebrates Pacific success. These are important experiences, as now we are part of the senior school, we look to academic pathways that will provide our students with the qualifications to lead them into the vocation of their choice.

This is all from me, take care and I look forward to updating you all again soon.

Nga mihi nui,

Mr. Joe Holland
Year 11 Dean
Kaitiaki Tau 11

Last week twelve students from the Service Council volunteered to collect on behalf of 'Heart Kids Canterbury'. Two babies with heart problems are referred to Heart Kids every week, so it was excellent to be able to do our bit to support Heart Kids. Papanui High School students collected \$311.00 which is fantastic.
