Code of Conduct

(Schedule One)

All students at Papanui High School need to follow the School's Code of Conduct.

International students at the School need to comply with both the School's Code of Conduct and the International Student Code of Conduct – see below. This serves to ensure the welfare, care and protection of international students while enrolled at the School. Failure to comply with the School's Code of Conduct and International Student Code of Conduct may lead to disciplinary action as listed in the Disciplinary Policy (see Schedule Two).

School Code of Conduct

Code of Behaviour

All members of our school community are expected to show common sense, courtesy, co-operation and consideration. These bring credit to us as individuals, our families and Papanui High School. Our rules help maintain our high standards of behavior.

Papanui High School Values

Papanui High school behavior expectations are described in our Pride values. These values are:

- Be Positive
- Be Respectful
- Show Integrity
- Dare to excel
- Engage in learning

Together they form the word - **PRIDE**. These values apply whenever you are part of the School, on or off site.

General Conduct

- Consider others
- Be at school
- Wear the correct school uniform
- Be on time
- Follow teacher instructions
- Use mobile phones, lap tops and tablets responsibly and appropriately
- Stay within Bounds
- Take care of your own property and respect other people's property
- Look after our school
- Travel safely
- Be drug free

Discipline

The School's discipline system is underpinned by Positive Behaviour for Learning (PB4L). In classrooms, students have the right to learn without interruption from others. Outside of the classroom, students must be courteous and respectful and stay within bounds, dress correctly, travel safely and be drug free.

Serious misbehaviour such as bullying, theft, violence, deliberate absenteeism, offensive language, racist remarks and actions, and sexual harassment etc. will not be tolerated, and for international students, will be dealt with according to the Disciplinary Policy (see Schedule Two).

Attendance

The Student is required to attend and be on time for all classes, curriculum-based activities, form times and assemblies. A medical certificate is required for any absences of more than three days, or if

the Student has frequent absences, or if the Student misses an NCEA assessment. Absence for any other reason must be applied for and approved by the Principal.

Internet Use

The Student will read and agree to the Student Use of ICT document. The Student will comply with the rules and restrictions with regards to internet use and will act in a responsible manner at all times when using the internet, school network and personal devices being used on the school network. The Student must register their BYOD (Bring Your Own Device) with the School's computer technician. All devices are the responsibility of the Student who must keep them safe both online and physically. The School is not responsible for damage or loss to cell phones, computers or other digital devices.

Education Outside the Classroom (EOTC)

Education outside the classroom (EOTC) is the name given to all events and activities that occur outside the classroom, both on and off the school site. This instruction in the community is part of an organised class study, or in a group or team taking part in an organised co-curricula activity.

The school believes in using a range of environments and experiences to enhance our student's learning. We have ready access to the beach, rivers, mountains and the bush in our area and beyond. We are also close to various built environments in our community, such as local businesses and recreational facilities. These areas offer rich learning opportunities for our student. Our students need to learn how to be safe both in and out of school. Thus some of the learning for students occurs beyond the school site and we seek your consent for the Student to participate in such learning.

Blanket consent for EOTC

The School uses a process, which is monitored by the Principal and Board of Trustees, to identify and manage risk for all activity types. The Ministry of Education EOTC Guidelines identify four activity types, each with recommended parent/caregiver consent.

Lower-risk on-site and off-site trips require either blanket consent or host family consent. Higher-risk off-site trips involving potentially dangerous activities and multi-day off-site trips require parent/caregiver consent.

Photographs, Videos and Marketing Material

Photographs and videos taken of the Student during their enrolment when participating in school-based activities may be used for marketing purposes and appear on the School website and in print material such as the School newsletter and magazine, newspaper articles and advertorials.

Uniform and Dress Code

The Student is expected to wear the School uniform correctly. Year 13 students must follow the Year 13 dress code.

Subject Choice

The Student may not always be able to select the subjects they wish due to subject clashes, the classes being full or their inability to meet the entry requirements, especially if they commence their course part way through the year and /or their English level is not at the required level. The School will endeavor to provide a course of study appropriate to the Student's ability and educational goals. All subject selection will be done in discussion with the Student.

The School will make every reasonable attempt to provide approved accommodation for the Student and the Student agrees to comply with all expectations and conditions for living in School approved accommodation.

- International students are required to reside in suitable accommodation approved by the School, irrespective of their age. This may be living in a homestay or with a parent or Designated Caregiver. Flatting is not acceptable.
- Permission for arrangements to live with a Designated Caregiver can only be given on receipt of a Designated Caregiver Agreement signed by the Student's parent(s) or legal guardian(s), stating the parent(s) or legal guardian(s) take full responsibility for the placement of the Student with another family member or close family friend.
- If the Student is living with a parent(s), the School must be informed if the parent(s) leave New Zealand at any time, so satisfactory alternative accommodation arrangements can be made.
- The Student, Homestay, Designated Caregiver and Parent(s) are required to inform the School of any changes in circumstances, such as a change of address and/ or contact details or changes in health status of the Student.

Homestay

The Student needs to sign and agree to the Homestay Code of Conduct. They need to be polite and respectful and obey the rules of the homestay. The Student is expected to keep their room tidy and assist with general household chores such as setting and or clearing the table, washing dishes etc. The Student is expected to be home for all evening meals and will not stay away from the home unless they have specific permission from their host parents (and School as appropriate).

The Student will also comply with the homestay rules and restrictions with regards to internet use and will act in a responsible manner at all times when using the internet.

Every effort is made to place the Student with a compatible host family. If for whatever reason there needs to be a change, requests to move homestays will be considered individually by the School. A minimum of two weeks' notice needs to be given unless under exceptional circumstances.

If the Student wishes to return to their home country, they are expected to do so during the formal school holiday times. Disciplinary Policy

(Schedule Two)

1. The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage disciplinary process.
3. In Stage One, the School will investigate and determine the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
4. In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.
5. The Student will have an opportunity to provide a response to the alleged breach that the School is investigating (**the Allegation**) and any proposed disciplinary action that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
7. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting a disciplinary process involving the Student it will endeavour to

provide the Student with the following:

- (a) a written summary of the Allegation or the Proposed Action;
- (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
- (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Allegation or the Proposed Action) before giving a response;
- (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;
- (d) an opportunity to have an independent support person of his or her choice present at any meeting relating to the disciplinary process;
- (e) an opportunity to meet with that support person in private at any stage during the disciplinary process;
- (f) an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
- (g) a copy of this policy setting out the rights which the Student has when engaging in the disciplinary process.

Disciplinary Procedure

Stage One: Incident Investigation

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response, the School will notify the Student of the Allegation and will provide the Student with an opportunity to give a response.
10. Where appropriate, having regard to the seriousness of the Allegation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Allegation.
11. When the School makes a decision about the Allegation it will advise the Student and parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

Stage Two: Outcome Discussion

12. If the School determines that a breach of the Agreement has occurred, it will advise the Student and parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and parents with an opportunity to give a response.
13. Where appropriate, having regard to the seriousness of the breach, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the disciplinary action to be taken.
14. When the School makes a decision about the disciplinary action that it will take in response to the breach it will advise the Student and parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and parents have been advised of the decision.
