

Principal's Perspective

Kia ora,

This week was International Week with activities including International Group performances, flag displays, language workshops, International treasure hunt, and the annual Adult ESOL students' international food fair. I would like to thank all involved for their ongoing commitment to this event. Staff and students alike were treated to a fabulous selection of food, from a variety of countries. By the lengths of the queues, everyone thoroughly appreciated having the opportunity to sample such a range of food for lunch.

The week finished with a fundraising Non Uniform Day on Friday. Money raised from this day will go towards supporting the Teenage Room at Ronald McDonald House. This is a great opportunity to think of others, and contribute to their welfare and wellbeing.

On Thursday night we held our Fiafia night, which also included a range of cultural groups performing to support International Week. This was the final dress rehearsal for our Pasifika group before they perform at the Polyfest competition on Saturday from 9.00am until 5.00pm in the Dallington Redzone on the corner of New Brighton Road and Locksley Avenue. Our students will be performing second, at approximately 9.15am

On Friday afternoon we held a special remembrance assembly to acknowledge the tragic events of March 15th last year. This included a minute's silence, through which we showed our respect and support to the Muslim Community, and all those affected by last year's tragic events. I spoke briefly, reflecting on the need to continue to move forward and the importance of accepting diversity, being inclusive, and showing aroha. We all have an opportunity to have a positive voice, and one of the greatest ways to do this is through kindness - that being; kind words, kind actions, and kind thoughts. I also acknowledged the particular set of circumstances our school experienced that day. I mentioned how proud I was of our staff and students as they focused on looking after each other, and taking strength in the promotion of positive messages of humanity, good-will, harmony, and peace. Alongside this, I was very grateful for the support and understanding expressed by our community. The assembly ended with a performance from our Pasifika students, followed by the school waiata.

The annual Band Camp will take place over the weekend, which serves as an opportunity to prepare for the many performances and competitions they will participate in throughout the year. We wish them all the best for the competitions ahead.

Next Monday night the 16th of March, the PTA will be holding their Annual General Meeting, which includes the election of the committee. The AGM will be held at 7.00pm, followed by their regular meeting at 7.30pm. All parents are welcome to come along, ask questions, and stay for a cup of tea or a coffee.

We continue to keep a watching brief in relation to the Coronavirus with updates being emailed home and posted on our website as required. You can also access further health advice and the latest information from the Ministry of Health website. [Novel coronavirus \(2019-nCoV\) guidance – Ministry of Health](#)

Year 11

In a year where it is essential that students develop good habits to ensure they experience success in NCEA, it has been very pleasing to see the majority of students already taking their learning seriously. The Engagement Reports have been running since Week 4 and a great many of the Year 11's have maintained a consistent 3 average. Those who may have dropped slightly have also made a concerted effort to try and improve which has been pleasing to see. Over the next few weeks, students will be undergoing their first Academic Counselling sessions of the year where they will look at setting academic goals for the remainder of the year. These goals will be able to be discussed with you in further detail at Conference Day which is on May 7th.

It was wonderful to see so many of you attend the 'Meet and Greet' evening and making connections with the people that are important for your child's education and wellbeing at school. This night enabled you the opportunity to not only put the face to the name of your child's teachers, but also learn a bit more about the units and topics covered this year, along with information on homework expectations and assessments.

This week has been International Week where we have been celebrating the rich culture we have at Papanui High School. With activities on every day, it has been wonderful to see students learning more about other cultures and ethnicities. Fiafia evening was on Thursday and it was an amazing opportunity for us to see our students performing with passion in preparation for Polyfest on the weekend. The hard work, determination and pride shown by our students shone through each and every performance on the night and we wish them good luck for the weekend.
