

## Principal's Perspective

Kia ora,

This week again focussed on student achievement.

On Tuesday night we held our annual Sports Awards. I would like to thank those who could attend for supporting the evening and congratulate the students who achieved awards. The guest speaker was Double World Championship medallist Scott Martlew, a Paralympics Canoeist, who also competed at the Summer Paralympics Games in Rio 2016. We were all very moved by his inspirational story where he shared the challenges he has faced, and the successes he has achieved. We wish him all the best for the Tokyo Paralympics next year.

This week the Head Student team ran activities which included such things as Jump Jam, cultural performances, sports activities, and on Friday a non-uniform 'Loud Shirt Day' fundraiser for The Hearing House (THH), and Southern Cochlear Implant Programme (SCIP). I would like to thank them for organising a great week that provided an opportunity for students and staff to enjoy, and to provide some much needed funding to these important organisations.

On Wednesday it was World Cleaners Day. We took this opportunity to celebrated it with our staff by sharing an afternoon tea in the staffroom. We have many long serving cleaning staff here who take pride in their work, and are always flexible and supportive of the school to manage the frequent changes that occur. This is particularly evident when events are on, and especially notable when we were at Alert Levels 2 to 4. Our cleaning staff are valued members of our school community here, and on behalf of our school I would like to thank them and acknowledge how grateful and appreciative we are of all the work they do.

The school is working hard to grow connections with our past students. One major avenue for this is through the school's Alumni Association. On Thursday a group of approximately sixty past students, who had mainly attended here in the 1960's (some a little earlier/little later), shared a lunch at the Papanui Club. I had the pleasure of updating them on the recent history of the school, and our future focus while also enjoying the opportunity of hearing of their stories from the past. Following the lunch, many of them returned to the school to participate in small group guided tours lead by our students. We are very keen to grow our Alumni, and if you would like to register please contact Jo Thomas-Hiddleston - [alumni@papanui.school.nz](mailto:alumni@papanui.school.nz)

I hope that you have an opportunity to enjoy the long weekend, and we look forward to next week as we continue on with our Celebration Season which includes our Soiree and Māori/Pasifika awards.

Ngā mihi nui

Jeff Smith  
Principal

The provisional NCEA Level 1 subject list will be confirmed and announced by the incoming government. To sustain the momentum of the NCEA Change Programme we are progressing design and development work for Achievement Standards of some of the NCEA subjects not affected by proposed changes to the provisional subject list.

A big thank you to everyone who helped before and on the night of the awards to make the night a great success. Also, a big thank you to all staff members and community who helped coach, manage or officiate one or more of our sports teams throughout the year. Your commitment to our various sporting teams does not go unnoticed, and without you all, our students wouldn't have the opportunities they do within sport at Papanui High School.

Long service to sport award - Paul Anderson

Sportswomen of the year - Izzy Orr

Thank you to Scott Martlew for being our guest speaker for the evening and sharing his inspirational story.

## Student Achievements

*Have you competed in a Sports Competition lately? Send your story and results (with pictures if possible) to Kirsten [hk@papanui.school.nz](mailto:hk@papanui.school.nz) or Paige [hrp@papanui.school.nz](mailto:hrp@papanui.school.nz) in the Sports Office.*

*This is a great way to showcase what our students are doing outside of school in sport with our community.*

### Swimming - Luka Willems

Congratulations to Luka Willems who competed at the Secondary School Swim Champs in Hamilton. He gained 6 PB's in his 6 events, knocking 17 seconds off his 100 Breaststroke. He competed in 50m Breaststroke, Backstroke and Freestyle, 100m Breaststroke and Freestyle and 200m Freestyle. Luka kicked at the heels of the medal winners coming 4th in all his races.

He certainly gained the backing of the audience and was the only swimmer with Down syndrome competing at the Champs.

### Football - Caleb Cottom

Congratulations to Caleb Cottom for being selected in the Canterbury Dragons Men's senior squad for the upcoming NZ Men's National League.

### Equestrian - Elise Shrimpton

Congratulations to Elise who competed in the South Island Three Day event recently. Elise entered both individually, and as part of a team of six riders from her pony club. In her individual class (from 48 riders in the under 21yr old grade) she placed 2nd overall on her amazing horse, Mister Puzzle. Elise's pony club team also placed first from 21 teams coming from all over the South Island to compete in the Championship.

### Cycling - Kirsty Watts

Congratulations to Kirsty Watts who competed in the Yunca Junior Tour of Southland, which was 6 races over three days – for the U15 girls there were 36km and 25km road races on day 1, a kermesse and hill climb time trial on day 2, and a criterium and 38km road race on day 3. The Tour Leader Jersey was based on cumulative time, with points for winning sprints (Sprint Ace Jersey) and hill climbs (Queen of the Mountain Jersey). Kirsty won 4 of the 6 races with a close 2<sup>nd</sup> in the other 2 to win the tour, and also won the Sprint Ace and QoM jerseys! There was one day rest and then the two days of track, where she came 2<sup>nd</sup> in SI and 3<sup>rd</sup> overall in the U15 girls.

### CRICKET, BUT NOT AS YOU KNOW IT

Yeah! Girls is developed by NZ Cricket and delivered in partnership with Sport NZ, to provide a dedicated girls-only cricket programme for young New Zealanders.

Sessions are girls-only for Year 7 to Year 9 students, and all about giving it a go. Girls don't need to have played cricket before – the friendly Activators will teach the girls everything they need to know and supply all the equipment.

#### What is a Yeah! Girls session?

'Yeah! Girls' aims to develop skills in an action-packed environment, with an emphasis on having fun with friends and being active. Sessions include drills and activities as well as modified cricket games. They are fast-paced and encourage skill-development and friendly competition in a fun, supportive, girls-only environment. Recognising the importance of self-confidence, leadership and individuality will be a key theme running the programme.

The Yeah! Girls programme is at the Burnside Hub. They will be running sessions for up to 60 minutes, every Friday night after school. The programme will run for 6 weeks during the Term 4 and will start on November 6<sup>th</sup> and finish December 11<sup>th</sup> 2020.

### Participant registration

Registration for each participant is required, just like it is for joining a sports club. Registration information is held centrally by NZ Cricket, and accessed by them so they can manage the Hub, plan for the number of participants attending, and ensure the Burnside Hub is delivered safely. It also provides insights for NZ Cricket and Sport NZ around the participation of young females in physical activity. Registration can either be done online or physically.
