

Principal's Perspective

Kia ora,

Thank you for your support and understanding as we negotiated the weather 'bomb' over the weekend and on Monday. Once again it is heartening to see the wider Canterbury community come together and support each other.

Friday's Staff Only Day provided, our staff, along with staff from schools in our Tōtaranui Kāhui Ako cluster an opportunity to participate in workshops both off and on site. Presentations included 'Structured Literacy' by Liz Kane at Cotswold Primary School, 'Understanding Behaviour and Trauma' by Karen Campbell and Rachel Cooper at Casebrook Intermediate, and 'Culturally Responsive Learning and Teaching: A Promise for Educating' by Professor Angus Macfarlane and colleagues, at Papanui High. Later in the afternoon staff from all schools met back here to celebrate the launching of Professor Angus Macfarlane's latest book: 'The Hikairo Schema Secondary: Culturally responsive teaching and learning' by Te Hurinui Karaka-Clarke, Jennifer Smith, Matiu Tai Ratima, Angus Hikairo Macfarlane, Sonja Macfarlane, Rachel Maitland, Lisa Davies and Susannah Stevens. We were very appreciative of the workshop presenters sharing their knowledge and experience. It was a very positive day and a wonderful opportunity for all our local schools to get together and share some learning.

In Week 9 we present this year's production 'Grease'. It is one of the largest productions our school has ever done, with a cast of 75, a live band comprised entirely of students (22), and a 20 strong behind the scenes team. Tickets are now on sale through the school's website. Further information can be found later in the newsletter.

We wish our two rock bands 'Motion Project' and 'Red Weekend' who are competing in the Smokefreerockquest Regional Finals on Saturday evening at the Ngaio Marsh Theatre every success.

I hope the long weekend provides an opportunity for some rest and relaxation.

A reminder that on the 8th of June I will be having an operation to replace my hip, and will be looking forward to my return which will be at the beginning of Term 3. In my absence our Associate Principal, Jo Hunnikin will be Acting Principal.

ARA Music Arts Visit

Aria Music Arts Visit June 1st

Papanui High School music has always had strong ties with local and national tertiary providers and this year is no different. The head of ARA Music Arts Gywn Reynolds, along with music students from the school presented music and information to our students in an entertaining and very informative session. Several Papanui students are already eyeing up pathways into further music education and this presentation was well received by all who attended.

Grease

Grease is the word! Come on all you cool cats and immerse yourselves in the world of Rydell High in the swinging 50s. This well-loved musical was first performed in 1971 in Chicago and went on to become an international sensation after the release of the movie version in 1978, starring Olivia Newton-John and John Travolta.

This production is co-directed by Daniel Scowcroft and Jay Grubb, and ably assisted by a comprehensive team of dedicated staff and students; we are delighted to bring you this iconic show in 2021. It promises to be one of our best ever musical events. 'So throw your mittens around your kittens and away we go!'
