

Principal's Perspective

Kia ora,

It was wonderful to see a number of our Year 12 and 13 students receive their 2021 NCEA endorsement certificates this week. Students who achieved 50 credits with Merit or Excellence were acknowledged by NZQA and Papanui High School with academic badges and certificates on Wednesday. A video was shown at Form time on Wednesday through which Form teachers also commended their students for their top efforts. Congratulations to everyone.

As we draw closer to Easter, I would like to acknowledge the hard work of all of our staff this term. We have managed to provide programmes of learning, co-curricular activities, and some regular events despite being limited by Red Traffic Light settings and several of us being affected by Covid . Everyone tried really hard to connect with our student body whether it be online or onsite. It has been a real team effort.

Next week, caregivers of junior students can expect to receive a written report on their child's progress for the second half of this term. There will be statements to describe how a student has been able to access and complete hybrid learning activities and/or subject material. For senior students, real time report comments are starting to be collated and they will be viewable at the end of Term 2, Week 1.

I would like to thank our Head Students, Student Council and Student Committees who have positively brought ideas to the table this term and haven't been too disappointed when things have been postponed or delayed. Thanks to the team who put the virtual combined assembly together this week to remind us of all of the activities that we do as a school which contribute to our hauora. It is fitting then that Term 1 will culminate in a Staff v Students 'Capture the Flag' game on the field. The competition currently sits at 1-all and so the winner of this match will be able to take bragging rights into the holidays.

It is a little bit difficult to signal in advance what might happen next term, and to confidently place too many events on the calendar. We are hoping that the government announcement next Thursday will indicate which Traffic Light setting we will be in from the beginning of May. This will make a difference to what activities can be offered and to whom. I can signal that **Thursday May 12** is an Accord (Staff Only) day for all Christchurch secondary schools so that teachers can work together on NCEA changes.

Rostering Home will continue next week. Students who have been working online should seek to complete work so that it can be viewed by teachers for feedback and writing progress reports. Google Meets will continue for those students isolating at home. If you are unable to have a student at home on their day we can provide limited supervision for them at school. Please email admin@papanui.school.nz We will advise all of our community if there is a need to continue rostering home in Term 2 once we consider any new information from the Ministry of Health and the Ministry of Education.

Reports—Term 1, 2022

Junior reports.

Currently the teachers of our junior classes are completing reports to indicate how well students have engaged in learning during the second half of this term. We are doing these instead of the fortnightly engagement reports. These will be available on the school portal from next Thursday. We will email with a reminder of the parent login and password.

Senior reports.

Teachers of senior students will be completing Real Time Reporting by the end of Week 1, Term 2. In some subjects there has been alterations to planned assessments due to the disruptions caused by COVID. These changes will be communicated to you through the real time reports. We will email to notify you when these are available.

From the Careers Department

Looking for local work with plasterers and/or scaffolders?

Advanced Exterior Plastering Ltd, and Erect Scaffolding Ltd, are two local businesses who urgently require staff to keep up with construction demand. They have entry level positions for labourers with no experience, as full training is provided with both companies, these roles would suit school leavers.

Advanced Exterior Plastering Ltd offers employees the opportunity to gain Trade Certificates in “Proprietary Plaster Cladding Systems” and “Solid Plastering”.

Erect Scaffolding Ltd offers employees the opportunity to gain NZQA National Certificates in Elementary, Intermediate and Advanced Scaffolding.

Successful candidates will need a positive attitude, be punctual, enjoying working in a youthful environment, have a restricted driver's licence and/or the ability to get to work and back each day. Both roles suit fit and strong individuals with no medical conditions, who are not scared of heights. In return, candidates will receive an excellent wage, learn new skills, work with a great bunch of people, and have the chance to travel the country, and sometimes overseas. If you are interested in joining either team, please email a CV and contact details as follows:

Sports News

Term 1 Summer Sport

Weekly sports for most Term 1 teams have finished. Students are asked to please return their uniforms to the Sports Office before the end of term.

Term 2 and 3 Winter Sport

Registrations are open for weekly Term 2 and 3 Winter sport. The registration link can be found on the student notices and school sport facebook page. Registrations will close at the end of day on Friday, 8th April where team lists will be posted on the Sports Office window after this date. Permission slips will be available for collection from the Sports Office from next week for any students who haven't yet filled out one for the year.

Most Winter sports start either Week 2 or Week 3 of Term 2.

Student Achievements

Have you competed in a Sports Competition lately? Send your story and results (with pictures if possible) to Paige (hrp@papanui.school.nz) in the Sports Office.

This is a great way to showcase what our students are doing outside of school in sport with our community.

Wanted - Business Studies Mentors for 2022

Wanted - Business Studies Mentors for 2022

Do you have your own business or specialist skills in business eg marketing, sales etc?

We would love some volunteers to use their business experience to give advice to Papanui High Year 12 and 13 student business groups, especially with the development of their idea, business plan and to support them in bringing their product or service to the market.

Ideally you will be able to check in with groups during class time in Term 1, 2 and 3, preferably two or three times each term and be available to support and answer questions at times during the year. Currently this would have to be done online however in future this could include coming into school if our COVID status allows.

If you are able to help our students have an authentic business experience, please contact Andrea Gallop gla@papanui.school.nz
