

Principal's Perspective

Kia ora,

I hope everyone had an opportunity to enjoy the warm weather over the long weekend.

As you are aware, the school has needed to continue its rostering home process this week, and that will carry on for the last week of term as well. Unfortunately this necessity has been reinforced as we are experiencing significant ongoing absence of staff.

On a positive note, a wide range of curriculum and co-curricular activities have been able to go ahead. For example this week we had four evening performances of the quintessentially kiwi comedy 'Wheeler's Luck' delivered to appreciative audiences by the Year 12 and 13 Production Class. Directed by staff members Jay Grubb and Daniel Scowcroft, together with their team of dedicated helpers for costumes, make-up, props and stage design and management, should be congratulated for another successful and entertaining Papanui High School production. Well done everyone! Alongside this, a large group of Year 12 students have been involved in a Mountain-bike camping experience at Hamner Springs, our Brain Bee team travelled to Dunedin and finished a very commendable 3rd in the competition, some Year 10 Science classes have been visiting local industries, and next week Year 12 Physics students will make a visit to the University of Canterbury, and the Year 12 Leadership group will attend a conference at Christ's College.

COVID Update - Rostering Home Reminder

Rostered home days	Mon	Tue	Wed	Thu	Fri
Week 10 (July 4 - July 8)	Year 13	Year 10	Year 11	Year 9	Year 12

When students are rostered home the expectation is they continue on with their school work, whether it be online or on paper which teachers will have already discussed with the class. This work will be able to be completed independently without teacher input. EOTC will still go out as per the calendar for the rest of the term. A reminder that if your child is sick the primary focus is on recovery at home.

Limited supervision can be provided at school for students who are unable to be looked after at home on their rostered home day. If your student needs to come to school on their rostered day off, please email admin@papanui.school.nz

Once again, we thank you for your ongoing support and understanding. If your student or someone in your household has COVID please let us know by emailing covidresponse@papanui.school.nz

LAST DAY OF TERM 2 - FRIDAY 8th JULY

A combination of a shortage of staff, and rostering home means we will finish the term at approximately 12.40pm on Friday 8th July. Students to attend Period 1 - 4, then go their form classes for the final 'wrap up'.

Ngā mihi nui

AA Defensive Driving programme during the school holidays

Whether on a learner or restricted licence, students can reduce the time it takes to get their full licence by six months when they complete an NZTA approved AA Defensive Driving Course. This means they could apply for their full licence as early as 17½ years old.

The AA Defensive Driving Course will give students the skills, knowledge and confidence to be a smarter and safer driver. They'll learn important defensive driving skills, such as assessing and identifying hazards, so they can reduce the risk of being in a crash.

Papanui PTA Uniform Sales

Thank you to our second-hand uniform supporters who picked up a lot of bargains at the last sale and helped us raise money for student co-curricular activities. We enjoyed meeting students and their whānau.

Do you have leftover small ziplock bags from your RAT kits for which you have no purpose? Please consider donating them to the PTA for the swing tags on clothing. They can be dropped off at the school office. Thank you in advance.

Adult and Community Education

This is the first time that this programme has been put together for our young men who are interested in playing netball as a new or existing sport, and we are seeing growth. We have a training session coming up this Sunday and I would like to see as many boys as possible to represent Papanui and to give it a go. This is currently for free for our rangatahi.
