## 1. Our vision / mission statement

Tōku Kura, Tōku Tiketike, Tōku Haepapa - My School, My Success, My Responsibility

Our mission is, "To provide the best possible education for our students, embedded in a culture that reflects a safe, balanced and caring environment which aligns with the community's values."

The school motto (1936), *In Opera Felicitas*: "Be happy in your work"

Papanui High School is an innovative and inclusive educational community which enables and encourages all students to be lifelong learners who enjoy exploring and positively contributing to an ever-changing world. We aim to empower our students to lead rewarding, culturally rich and fulfilling lives as fully active, independent, and caring members of society in Aotearoa/New Zealand and the world.

The strength of Papanui High School is its shared vision and commitment to supporting students' learning, progress, achievement and wellbeing. This is supported by;

- Teachers demonstrating highly effective pedagogical actions which promote student learning. We know students learn best when teachers create a supportive learning environment, encourage reflective thought and action, enhance the relevance of new learning, facilitate shared learning and make connections to prior learning and experiences.
- Maximising each student's achievement by building their capacity in key competencies and creating opportunities through access to diverse and innovative curriculum. Students will acquire formal qualifications and appropriate prior knowledge to successfully transition into the work force or further education.
- Improving on key areas of students' wellbeing. We know students learn best when; they feel safe, teachers are interested in them as individual and care about their learning, and they feel that they are experiencing success.

Staff support student outcomes through the strategic goal: "Increased Engagement for Learning leading to Improved Academic and Social Outcomes for all Students". Professional Learning & Development is focused through three key areas; Cultural Responsiveness, Digital Citizenship and Wellbeing. Professional development is inquiry based and is used to reinforce best practice to support the process of continuous improvement.

## 2. Our values

### Introduction

Our school's values have been developed collaboratively with involvement from all parts of our school – our board, staff, students, parents, and whanau, so that everyone is informed about them and connected to them. We are aware of the importance of giving prominence to our values, particularly in the actions of our staff and students and how they interact with each other every day.

At Papanui High School we value Māori culture, tikanga (language) and the identity of all our students. We are committed to:

- Māori achieving success as Māori
- our bicultural partnership in Aotearoa / New Zealand
- Te Tiriti o Waitangi.

Having strong connections and positive relationships are a critical component of the teaching and learning process. High quality teaching is the most important influence on education for Māori as well as for learners from all backgrounds. Incorporating culture into learning leads to success and the school actively strives to raise the achievement of its Māori students, together with the achievement of students from all backgrounds.

Pōwhiri, the school Haka and Waiata, are important aspects of our cultural identity. The Karakia below was written by our Kaumātua of the school and is reflective of the (PB4L) PRIDE values which are strongly held by the school.

#### TE KARAKIA O TE WHATUKURA

Ko te whāinga, kia hāpai tātou i ngā ūara o te Whatukura o Papanui.

Mā te ngākau māhaki ka tiakina te wairua o te tangata,

Mā te manawa popore ka mirimiria tōna mana,

Mā te rangatiratanga ka tū tātou hei raukura mō te iwi,

Mā te whai i te kounga o te mahi ka hāpaitia te wawata kia whai waewae,

Mā te aro ki te ako ka takahia te huarahi kia eke panuku.

Tuturu, whakamaua kia tina!

TINA!

Haumi e, hui e, taiki e!

*It is our goal that we will uphold the values of Te Whatukura o Papanui*

*Through our positive nature we will nurture the wellbeing of others,*

*Through our kindness we will respect their rights,*

*Through our integrity as leaders we will set a positive example,*

*Through our pursuit of excellence, our aspirations will be achieved.*

*By engaging in our learning, we will provide opportunities to create success.*

*We abide by this, and embody it!*

**YES!**

*We come together, and affirm this!*

Our learning environment is one in which the teacher/learner/whānau relationship is fluid and is based on care, mutual respect, shared power, connectedness and a sense of belonging. Our kaupapa and the interdependent roles and responsibilities we have as a school community, focuses on the potential of learners.

This Kaupapa is grounded in the concepts of:

- Manaakitanga - Every individual accepts the responsibility to understand and respect the uniqueness of others. i.e. making someone feel at home, being a responsible host, showing kindness, hospitality, caring for the environment, treating people with respect, nurturing relationships, caring for others, and reciprocity of kindness, respect and humanity.
- Tūrangawaewae - Is 'a place to stand' where we feel especially empowered and connected. Papanui High School is our foundation, our place in the world, our home.
- Whanaungatanga - Staff, students and our wider community feel connected through a sense of belonging and acceptance.

- Mahi tahi - Engenders collaborating with collective responsibility, accountability and commitment to support and care for each other throughout all endeavours.
- Kotahitanga - Power is shared and learners have the right to equity and self-determination.
- Whakapapa – Knowing one’s genealogical lineage (cultural heritage), and how as individuals these understandings form the basis of their identity and learning.
- Ako - Learning is dialogic, interactive and ongoing.

Our values are supported by the very strong and positive relationships that exist between our staff and students, what we would refer to as the “Papanui Way”. Our community draws from a diverse ethnic, cultural, and socio-economic background. This diversity is valued and respected, and people interact in an inclusive and cooperative way. Staff, students and members of our community say; our school feels different, the atmosphere is warm and friendly, students are polite and courteous to guests, and are very supportive and respectful of others. These attributes are particularly noticeable and often affirmed, when our students are representing the school in the wider community. We affirm inclusive practice and an atmosphere where everyone belongs. We are committed to being culturally responsive. We encourage staff, students, families/whanau and our wider community to value and support the richness of culture and experience that the over 40 different nationalities currently enrolled at the school offer.

Inclusive practice such as, valuing diversity and acknowledging individuality, provides a positive foundation for student wellbeing and learning. We want all our students to strive for personal excellence both academically and socially, through curricular and co-curricular frameworks. To do this we must base our decision making on students’ needs and provide opportunities for them to excel based on their interests, passion and goals.

Papanui High School developed a set of values, known as Papanui “PRIDE” as an outcome from the school’s involvement in the Ministry’s *“Positive Behaviour for Learning”* initiative. The “PRIDE” values are expressed and taught;

Be **P**ositive  
 Be **R**espectful  
 Show **I**ntegrity  
**D**are to Excel  
**E**ngage in Learning

The matrix developed covers all five values of “PRIDE” and provides examples of the values in action around the school and in our local community.

These five values align with some of the New Zealand Curriculum Values and provide opportunities for students to develop the soft skills required by employers. The PRIDE values reinforce and support such things as: assembly content, academic counselling reflections, pastoral events, active supervision and general school wide activities.

The house system provides opportunities for students and staff to exhibit school spirit by; providing service, participating, competing and developing leadership. The house system also allows students to relate to and interact with their peers, staff and the wider community in a constructive collegial way.

### PHS Houses:

House name	Colour	Element	Meaning
Ruuwhenua	Green	Earth	Earthquake – the rumblings of Ruaumoko
Taa Hiko	Yellow	Air	Movement of energy. Of lightning
Ahi Kaa	Red	Fire	The burning fire
Ngarunui	Blue	Water	Tsunami/Wave Warriors

The Papanui High School Graduate Profile describes the qualities and capabilities we aim to foster and develop in all students during their secondary education so that they are “lifelong learners” contributing as “global citizens”. We are committed to ensuring all students graduate with an awareness and an appreciation of five key attributes and the ability to demonstrate the PRIDE values within each of these areas.

- **Diversity and Inclusion:** Papanui High School graduates will feel connected to and have a sense of belonging to their school. They will develop and accept individual responsibility to understand and respect the uniqueness of others.
- **Cultural Responsiveness:** Papanui High School graduates will appreciate the role of Te Tiriti o Waitangi and be aware of global issues. They will act with integrity and fluency across cultures and perspectives, have a commitment to the betterment of society, and be open in their thinking and appreciative of the riches that diversity and equity bring. They will also have a strong sense of their own individual cultural heritage.
- **Wellbeing:** Papanui High School graduates will have a thorough understanding of the concept of Hauora/wellbeing and how this translates to their own life and that of others. Students will be well equipped with strategies that ensure they can maintain their individual wellbeing and provide support to or advocate for others.
- **Future Focussed Teaching and Learning:** Papanui High School graduates are expected to be able to learn and work autonomously and ethically. They are expected to be lifelong learners, to show resilience, confidence, and demonstrate learner agency. Students will be committed to the on-going acquisition of new knowledge and new skills, and an ability to apply these to an ever-changing environment. They will have the ability to analyse issues logically, to challenge conventional assumptions, to consider different options and viewpoints, make informed decisions and act with flexibility, adaptability and creativity.
- **Environmental and Ecological Sustainability:** Papanui High School graduates will be bi-culturally competent, globally aware and engaged with their community in order to create, define and succeed in future careers and industries of sustainable societies.

### 3. The character of our school

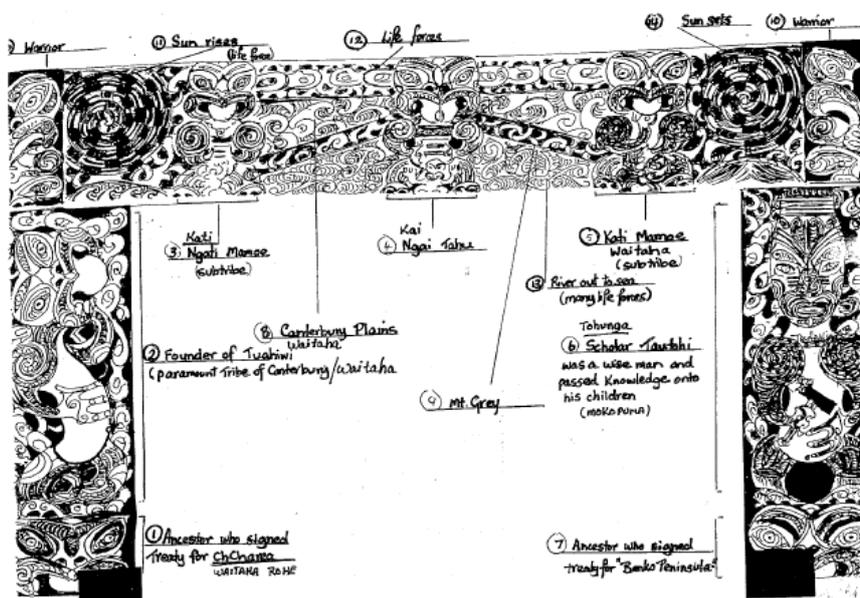

Papanui High School is one of Christchurch's larger, state, coeducational secondary schools, established in 1936. With a current roll of approximately 1600, it serves a community that is predominantly European but with a significant number of students from other ethnicities. The school roll reflects the community's ethnic mix and is 62% European, 15.5% Maori, 4% Pasifika, 17% Asian, and 1.5% made up of other ethnicities.

Papanui was the original Māori name for the Bishopdale and Papanui district and is the Māori word for 'a platform in a tree from which birds are snared'.

Papanui also means "The great, long flats", symbolising the fact that that area was flat land as opposed to Oteripo, the main Christchurch area, which means "The swamps", or food gathering areas. The main feature of the Papanui area is the river, Otutaikino, which marked the boundaries (as recently as 1933) of the Otautahi Runaka and Tuahuriri. In the main office building is the entrance for all manuhiri (*visitors*), rangatahi (*youth*), whanau (*family*), and kaiako (*teachers*). Sited here is the Whakairo

(carving) that keeps the entrance secure, safe and strong. The carving continually maintains the balance of tapu and noa (*the state of being*) for all who walk between the beams are guarded by tīpuna (*ancestors*) of Kāi Tahu descent and further to this the carving relates the relationship further back to 'Papatuanuku' and her links to the primal forces of nature through 'Kahukura'.

George Edwards, one of Ngai Tahu's most respected Te Whakairo (master carvers) was commissioned to carve the panels for the archway in the main foyer. These were dedicated in October 1992. The carving depicts many layers. One layer is the ancestors who signed the treaty on behalf of Christchurch and Banks Peninsula, the warriors and the scholar Tautahi who was wise and passed knowledge on to his

children. Another more traditional layer incorporates the sun rising over the plains and life forces which can convert cranky undisciplined students into model citizens as the sun sets at the end of each day.

Special symbols represent Ngai Ahu and the sub tribes Ngati Munae and Kati Mornae, bringing together the three layers of tradition of Waitaha. The tukutuku work, yet to be completed is expected to encompass Waitaha traditions. Mt Grey and the river out to sea also feature. George's carvings can also be found on the panels outside the Whare Kai. The maihi on this building clearly represents the stories of Maui in an easily accessible way.

The school has an enrolment zone to ensure that local students have priority of access. Located in North West Christchurch, Papanui High School draws its students from the areas of Belfast, Bishopdale, Bryndwr, Casebrook, Harewood, Merivale, Northwood, Northcote, Papanui, Redwood, Regents Park and St Albans. The community is comprised of a range of socio-economic groupings and this is reflected in the school's decile rating of seven. It is important to note that the Papanui High School zone has over 3000 secondary aged students in it who select a variety of educational centres for their learning. This includes co-education, single sex, integrated, special character and private schools. Our focus is to make Papanui High School the co-educational school of choice for students in our zone.

Access to and around the city is easy with Christchurch International Airport and the University of Canterbury all within 10 minutes of the school. Major bus services connect the school with wider Christchurch.

The North West Christchurch area is set to expand as there are large subdivision developments on the northern and western part of the school's zone. The school continues to experience a gradual increase in Year 9 enrolments, this year exceeding 360 (our largest). The current roll is slightly above that from 2021. The school roll is supported by consistent numbers of Years 10 - 13 enrolments from in-zone students. This also reflects Papanui High

School being a school of choice for its local community and students changing schools to access a broader curriculum and range of educational opportunities. Growth is expected to slowly increase over the next five years, which is a reflection on the Christchurch rebuild and the development of new subdivisions.

Papanui High School sits at the heart of the Papanui area. On its eastern boundary is the large urban shopping mall of 'Northlands', on its western boundary is a large, light industrial area, to the south sits the Papanui commercial centre and on its northern boundary, sport and recreational grounds and residential properties.

The school is proud of being a community school which works with and for its local community. Links are well established with local organisations such as the Graham Condon Recreation Centre, Christchurch City Council Service Centre, the local medical centre, commercial interests (especially the Northlands Mall and the new Northlink), the Papanui Library, and the various social agencies in the area. There is considerable interaction with the wider community during the day, and in the evening/weekends. The Adult Community Education classes serve the greater Christchurch area. Parents, caregivers and volunteers are involved in many facets of school life and there is a strong Parent Teacher Association.

Partnerships with the Northlands Mall, the City Council, the J B Johns Trust and Business Distributors Ltd (BDL) have enhanced the school in terms of sponsorship, ICT, and property developments.

Viewed over the last 5 years, NCEA results have become more consistent following significant improvement across all levels including the attainment of Merit and Excellence subject endorsements. These improvements are supported by such things as:

- Academic Counseling
- Engagement Reports
- Real Time Reporting
- Curriculum Innovation and Design
- Links with external providers
- Working with Ministry of Education (MOE)
- Achievement and engagement initiatives
- Culture of high expectations
- An inclusive learning environment and;
- Embedded positive relationships between staff and students.

The breadth of learning has been substantially increased through the school's co-curricular programmes. Students can choose from well-developed programmes in music, the arts, cultural pursuits, sport and outdoor education. These programmes are further enhanced by the access students have to high quality on-site facilities that have been developed in partnership with the local community. The school is proud of the many local and national awards that students receive through their involvement in these activities.

Teachers are well supported through targeted professional learning and development that focuses on student learning and wellbeing, and how each student can be best supported to succeed. Targeted data analysis is critical to identifying and understanding specific needs within the school, including priority learners and is used to make informed decisions to ensure a culture of continuous improvement.

The school has a well-established communication network which delivers relevant and up to date information. The Board of Trustees and the Parent Teacher Association work positively to support the school and are a significant component of the collaborative approach to the analysis and use of achievement information for self-review.

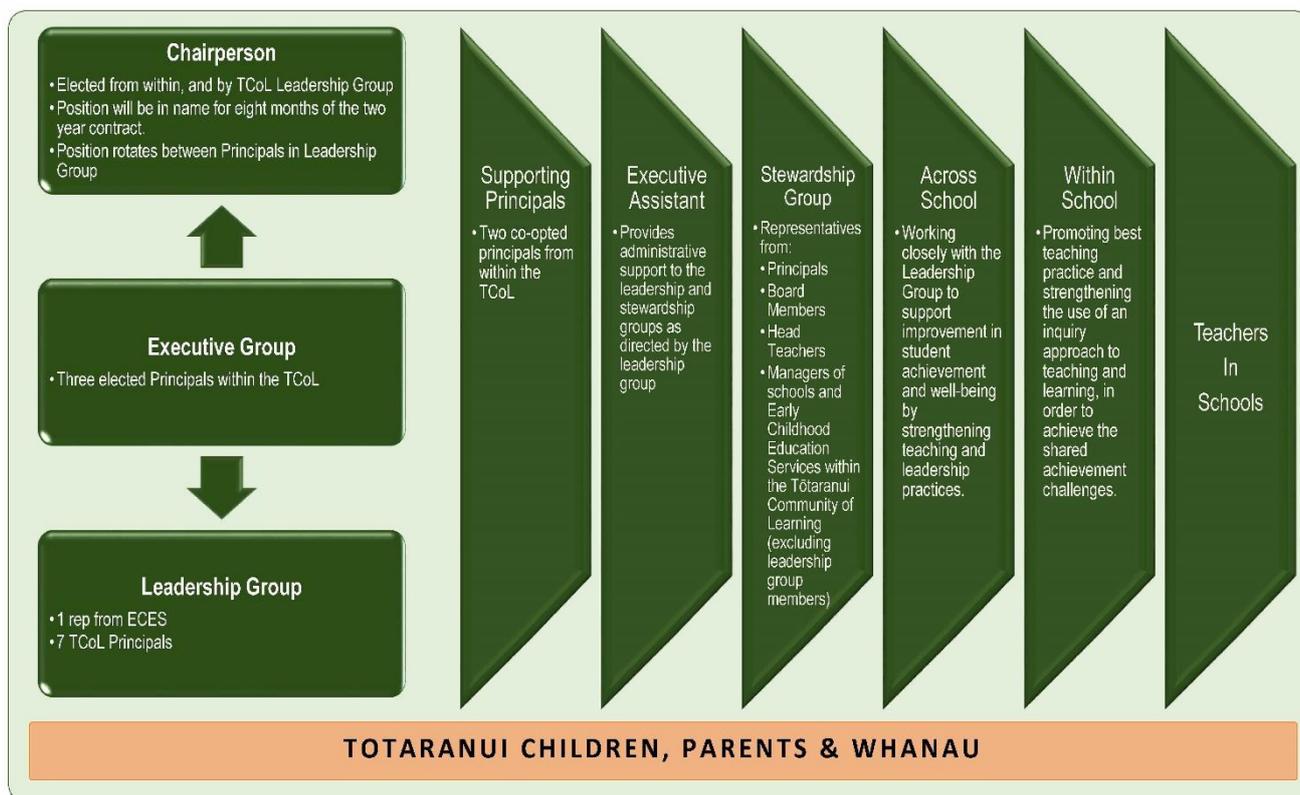

The school operates a well-established distributed leadership model which effectively supports the management of change, succession planning and sustainability. The delivery of effective pedagogy continues to drive the culture of teaching and learning to ensure that value is added to each student's holistic learning and that they leave Papanui High School appropriately prepared for employment, training or further study. The recent formation of the Totaranui Kāhui Ako – Community of Learning (CoL), which includes Bishopdale School, Casebrook Intermediate School, Cotswold School, Northcote School, Papanui School, Redwood School and a number of Early Childhood Services and Schools, will support the longitudinal development of learners and support and promote best practice pedagogy amongst teachers.

**Tōtaranui Kāhui Ako Vision:** Hono, Mahi Tahi, E tipu - Connect, Collaborate, Grow  
Connecting and Collaborating as Lifelong Learners

#### **Principles:**

- **Personal & Social Wellbeing**  
All learners develop competencies in self-management, relationships, and problem-solving so they can lead healthy active lives and make a positive contribution to their community.
- **Whānau & Community Involvement**  
The development of a culture where the school, families/whānau and the community work together in an inclusive, collaborative and culturally responsive way to enhance learning. Whānau and community will be embraced and acknowledged developing reciprocal relationships along our pathway whilst acknowledging the bicultural nature of New Zealand through te Tiriti o Waitangi.
- **Engagement & Inclusion**  
All learning that takes place is relevant and valued, leading to motivation and engagement whilst instilling a sense of belonging allowing for full participation in all aspects of school life.
- **Cultural Responsiveness**  
All learners have their own culture acknowledged and responded to in their learning. They are bi-cultural citizens in a multi-cultural community.
- **Creativity & Innovation**  
All learners develop skills and attitudes by experiencing a range of creative and cultural activities that challenge thinking and encourage curiosity, imagination and experimentation.

## Tōtaranui Kāhui Ako - Community of Learning Structure

### 4. Special characteristics of the school

Papanui High School has defining special characteristics which have been reaffirmed during our wide consultation with staff, students, parents, caregivers, whānau and the local community.

Papanui High School aims to provide a model of full service for its school community. The school facilitates learning by catering for students' academic, emotional, social, cultural, physical, and medical needs. The school understands what a well-balanced education includes and acknowledges that academic achievement, co-curricular involvement, and personal development. These are all important components of a successful education. We are a community school and play an integral role in the life and development of the North Christchurch community. We pride ourselves on providing an innovative approach to curriculum and ensure that the learning and qualification needs of a wide range of students can be met appropriately. We work hard to provide a learning environment where students feel safe, supported, and challenged. We do this by understanding the diversity of our community and ensuring we have an inclusive culture that is supported in a caring way.

The strength of Papanui High School is its shared vision and commitment to supporting students' learning, progress, achievement and wellbeing. The past ten years of self-review has seen a continuous cycle of improvement.

The Education Review Office (ERO) reports, NCEA results, roll growth, community and staff perception over this time are all testament to this.

*“The school highly values and promotes sustained improvement through ongoing reflection, review and innovation. Positive relationships and an ethos of caring contribute to a culture of inclusion and high expectations. Students experience a broad curriculum within and beyond the school. Over time, student achievement is continuing to improve. The wellbeing, engagement and learning progress of students remain high priorities for the board, leaders and staff”. (ERO 2014 – latest report)*

The school celebrates student achievement in a range of different areas including academia, sport, the arts and culture. We experience high levels of community engagement and support. This engagement is clearly evident in the attendance and participation of parents and whānau at school related events, both curriculum and co-curricular based. Engagement and interactions between the school and the community are seen as a means of enhancing the learning experience for the students.

The recent school consultation process identified a number of consistent special characteristics that are highly valued and that the school is encouraged to grow and enhance. This included:

- Supportive environment for the diversity of learners
- Caring culture of inclusion, positive relationships and participation
- Diversity and cultural mix
- Cultural responsiveness
- Student support services
- PRIDE-focus on academic/social growth
- Student spirit - student directed councils - support for charity ie Ronald McDonald House
- Celebration of success
- Co-curricular range/leadership opportunities
- IT/BYOD - Teaching and learning associated with it
- School day, flexible period times, timetable creativity
- Broad curriculum/pathways/community links
- Ability to be innovative & to differentiate learning
- Quality of teachers and strong leadership through the school.
- High standards, caring environment and passionate staff
- Well-organised school with experienced staff
- A real sense of community.
- The size of the school gives lots of opportunities
- Professional approach to teaching
- A well-articulated vision
- Strong commitment to a positive school identity
- Physical environment of the school

This consultation helped shape five key aspirations we wish to achieve through our future redevelopment:

- **Future Focused Teaching and Learning** - A place whose effective teaching practices and use of spaces are flexible, collaborative and enhance learning.
- **Cultural Responsiveness** - A place that embraces and reflects the bicultural heritage of Aotearoa, New Zealand and affirms the different cultural identities of all students.
- **Diversity and Inclusion**- A place that promotes, supports and celebrates diversity and inclusion.
- **Wellbeing** - A place that promotes and supports the wellbeing of its school community.
- **Environmental and Ecological Sustainability** - A place that has a physical environment which is safe and appealing, and has a commitment to ecological sustainability.

### **Summary of other special characteristics particular to Papanui High School:**

WHĀNAU and AIGA FORM CLASSES are vertical form class groups open to all students of any year levels. Staff associated with the form classes expressed a keen desire to work alongside students in a culturally responsive way to develop their sense of belonging and develop a place in the school that allowed students to foster stronger cultural connections. The Whānau form class is a form class that bases its daily practice on aspects of tikanga Māori while the *Aiga* form class incorporates the uniqueness of many Pasifika cultures.

KIMIORA DEPARTMENT – provides opportunities for students who have an intellectual disability. The students are part of the wide cross-section of society and have the right to an age appropriate and relevant education in a school which reflects this range of abilities. These students will enhance and enrich the social and community character of the school by providing opportunities for a greater acceptance and undertaking of people as individuals. The department has experienced considerable growth recently with what has traditionally been two class (20 students) groupings growing to three classes (34 students). The Kimiora department aims to maximise the opportunities for intellectually disabled students in a supportive environment which enhances their personal dignity. The students develop life and community skills in order to promote maximum independence and equally become purposeful, active participants in our school and in the wider community.

ADULT ESOL PROGRAMME is a unique feature of Papanui High School. The programme sees adult learners with a non-English background enrol fulltime to improve their English Literacy Skills. The adult learners are placed in a home-room situation according to their English language ability. There are currently 62 adult students split over three classes. Each home room has a specific teacher whom works alongside the students for 25 periods per week.

INTENSIVE ENGLISH SUPPORT PROGRAMME is in place for an increasing number of students enrolling at Papanui High School who do not have adequate English Language skills to support their placement in mainstream classes. Students placed in this programme come from a variety of different backgrounds, such as:

- Foreign Fee payers
- Refugee students
- Migrant students
- English as a Second Language students

Whilst the programme addresses students learning needs, it also provides extensive support for students' pastoral and transition needs.

THE INTERNATIONAL DEPARTMENT at Papanui High School attracts students from many international destinations. The programme has been running for approximately 30 years and is incredibly well-supported by staff, homestay families and international organisations. Students who choose to travel to New Zealand and study at Papanui High School have wide and varied reasons for doing so and it is essential that the school caters for these needs. The students contribute to a global village, share culture and develop lifelong connections. Many students will come to Papanui High school specifically for its extensive EOTC opportunities and in particular Outdoor Education. EOTC provides quality learning experiences and opportunities for students to develop personal, social and academic skills in settings outside the normal classroom environment.

ADULT COMMUNITY EDUCATION at Papanui High School is well-known for its extensive programme offerings. We believe that ongoing education is an essential part of life, whether it is learning new job skills or crafts, developing social or parenting skills or learning a for qualification. The school provides many learning opportunities for its wider community through the evening and weekend programmes available in a pleasant supportive learning environment that often results in increased social connections within our adult community.

## 5. General Goals

Papanui High School aims to provide.....

- **A FULL- SERVICE SCHOOL**..... to facilitate learning by catering for students' academic, emotional, social, cultural, physical and medical needs.
- **A WELL- BALANCED EDUCATION**..... to recognise that academic achievement, co-curricular involvement, and personal development are all important components of a successful education.
- **A COMMUNITY SCHOOL**.....to play an integral role in the life and development of the North Christchurch community.
- **AN INNOVATIVE APPROACH TO CURRICULUM**.....to ensure that the learning and qualification needs of a wide range of students can be met appropriately.
- **A SAFE ENVIRONMENT**.....to provide a learning environment where students feel safe, supported, and challenged.

## 6. National Administrative Guidelines (NAGs)

Underpinning this Charter are the 10 general National Education Goals as set out by the Government in 1995. In order to facilitate our achievement of these goals Papanui High School will follow the National Administration Guidelines (NAG's)

## 7. National Education and Learning Priorities (NELP)

- set out the Government's priorities for education that will ensure the success and wellbeing of all learners.
- will help create education environments that are learner-centred, and where more of our learners, and especially more of our Māori and Pacific learners, are successful.

they encourage all places of learning to focus on:

- ensuring that they are safe and inclusive and free from racism, discrimination, and bullying
- strengthening the quality of teaching our learners receive to giving our learners the skills they need to succeed in education, work and life
- collaborating more with whānau, employers, industry and communities
- taking account of learners' needs, identities, languages and cultures in their practice, and
- incorporating te reo Māori and tikanga Māori into everyday activities.

From 2021, we will be incorporating the NELP priorities into our plans and practice over time.

## 8. Cultural Diversity

**The school will recognise and foster an appreciation of the cultural diversity in our school's national and global community by:**

- Developing strategies that will enhance Maori and Pasifika student potential for high academic achievement and personal success.
- Developing strategies that will enhance the potential for high academic achievement and personal success for students from Asian countries.
- Celebrating and enjoying all forms of diversity in our school, nationally, and internationally. This includes cultural, gender, intellectual and physical difference
- Promoting attitudes based around understanding, tolerance and knowledge of differences, valuing others' heritage, culture and people.

## **The school will recognise cultural diversity of Maori by:**

- Providing Te Reo Maori programmes at all levels. The school will ensure that the curriculum in all subjects incorporates a Maori dimension. The school will assist parents who wish their students to be educated through the medium of Te Reo Maori, to find appropriate pathways.
- Working in an inclusive way to meet obligations under the Treaty of Waitangi and the Memorandum of Understanding with Ngai Tahu. Ongoing relationships will be developed with Te Ngai Tuahuriri Runanga inc., Te Runanga Ki Otautahi O Ngai Tahu, and Nga Maata Waka.
- Incorporating Tikanga Maori into the daily running of the school through the use of powhiri, Te Reo, kapa haka, and the development of the whare as a focal point for the school.
- Working closely and developing ongoing relationships with the whanau of the school's students.

## **9. Codes of Conduct.**

**Effective governance and management is a successful blend of community involvement and professional competence.**

### **The Board of Trustees**

*The Board of Trustees agrees to the following Code of Conduct*

1. Ensure that the needs of students and their learning are given full consideration when planning, resourcing and implementing the School's curriculum.
2. Ensure that all students are provided with an education which represents their individuality and which challenges them to reach the highest standards of personal achievement.
3. Serve their school and their community to the best of their ability and be honest, reliable, trustworthy, loyal and fair.
4. Deal fairly with staff, the principal, caregivers and students.
5. Maintain the confidentiality and trust vested in them.
6. Ensure strict confidentiality of papers and information related to the Board's position as employer.
7. Ensure that individual trustees do not act independently of the Board and its decisions.
8. Accept that the Principal is the professional leader of the school and is responsible to the Board.

## **The Principal**

*In carrying out his or her duties the Principal will:*

1. Ensure that the needs of the students and their learning are given full consideration in planning, resourcing and implementing the school's curriculum.
2. Attempt to the best of his or her ability, to demonstrate each student is of equal value and is entitled to an education which respects their individuality and challenges them to reach their highest standards of personal achievement.
3. Be loyal to the Charter and fully committed to achieving its purpose, aims and objectives.
4. Deal fairly with staff members and the Board of Trustees, caregivers, and students and show a commitment to the continuing development of the staff's professional skills.
5. Work cooperatively with school staff but take final responsibility for decisions within the Principal's authority as delegated by the board.
6. Provide all information on a student to any person with legal rights to the information who requests it, and respect confidentiality by keeping information on students from people who have no right to it.
7. Not vote in Board of Trustees decisions in relation to the Principal's employment.

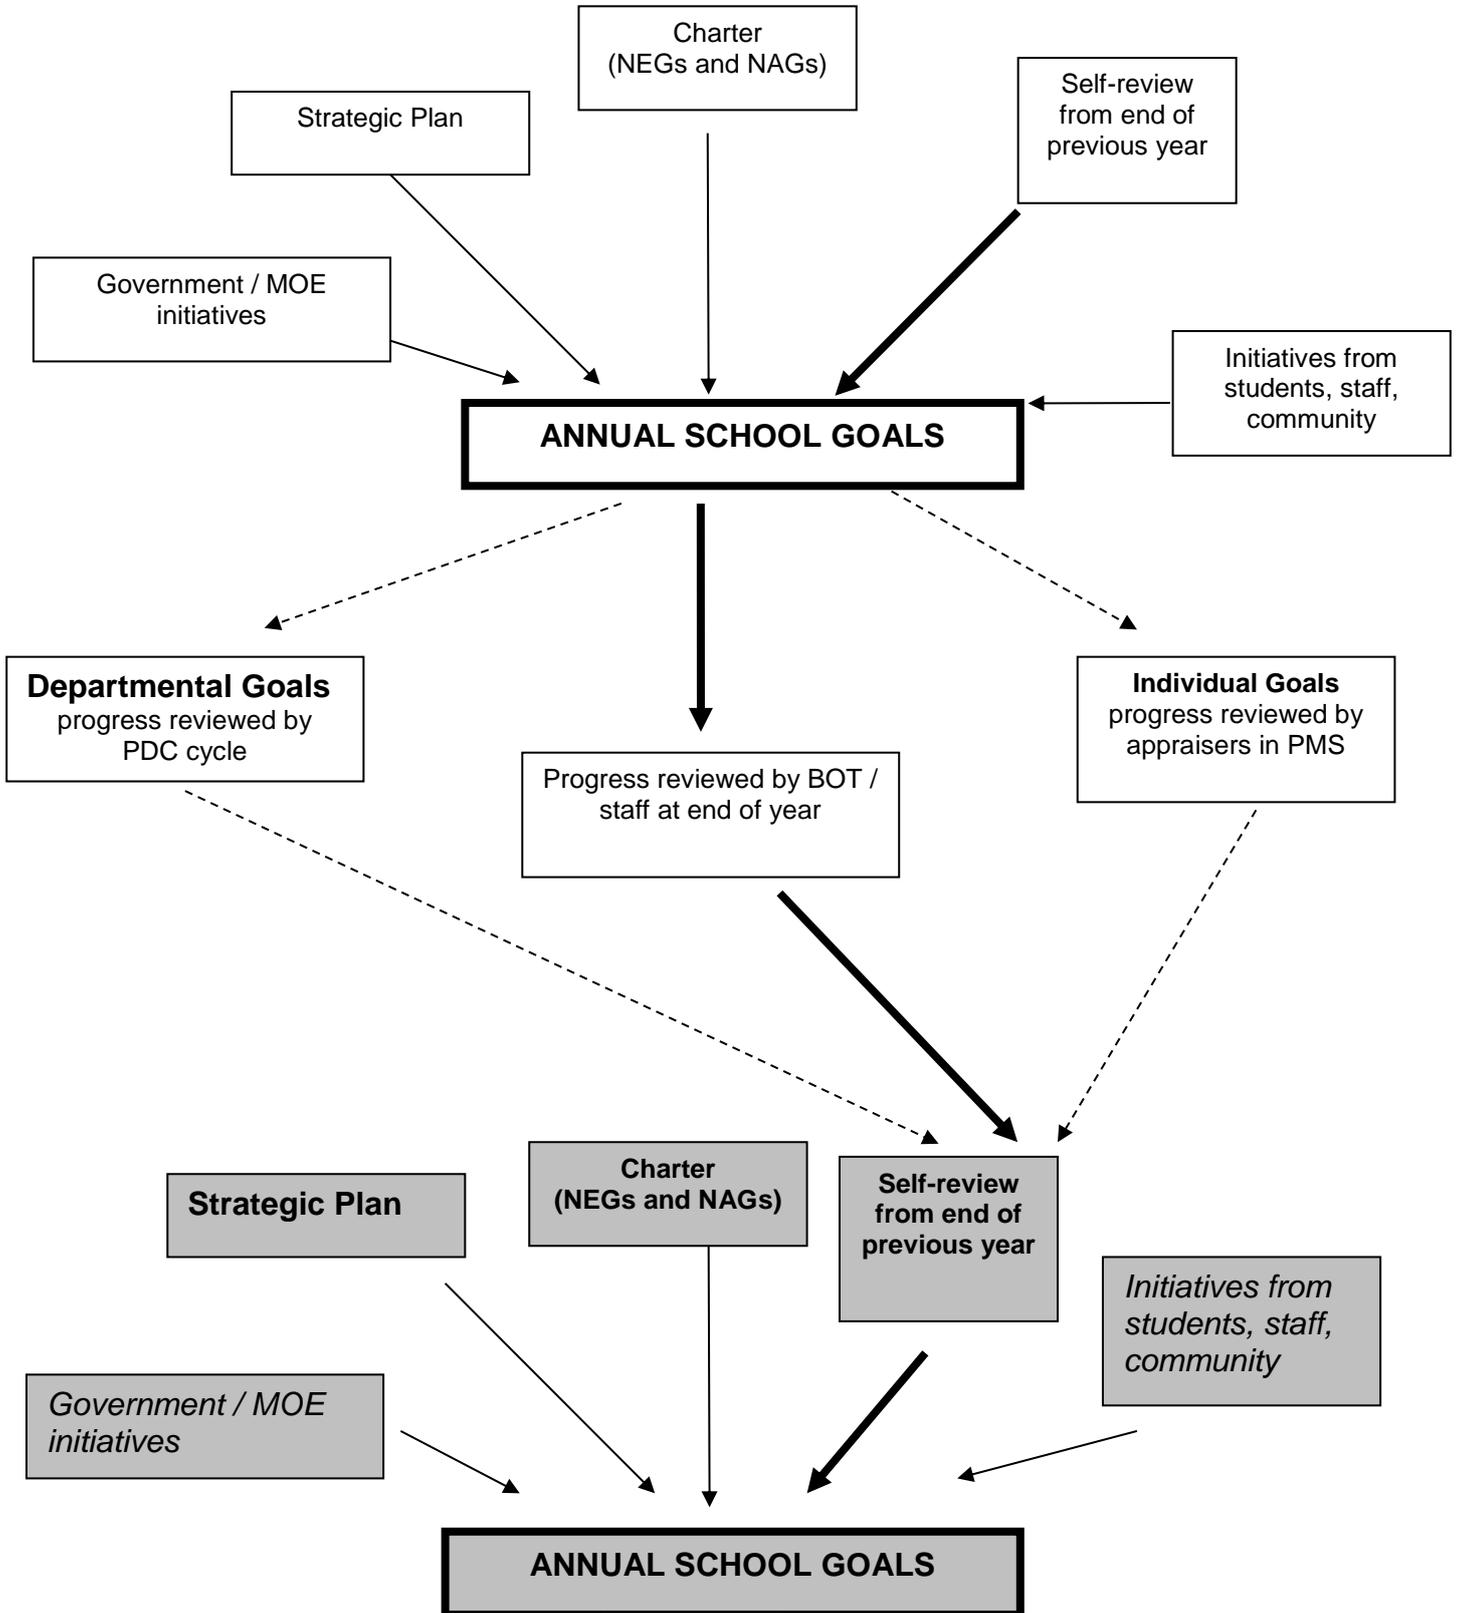

## **10. Self-Review as the basis for Planning and Reporting**

There will be a strong culture of self-review and constant improvement at Papanui High School. The bases for self-review will be:

- Annual school wide goals and specific targets
- Annual Departmental Goals
- Head of Department Annual Reports
- Staff Leadership Teams
- Data gathering surveys: CEM Survey, Perception Survey, etc
- Principal's Reports to monthly Board meetings
- Departmental management documents
- Charter/Strategic Plan
- Data generated from student achievement in NCEA/Junior curriculum levels
- BOT Policy and Review Committee
- ERO visits
- Staff Performance Appraisal
- Consultation with school's community

### 2020 – Inclusive of Pandemic Learning Recognition Credits

**The dual data represented shows the two key indicators for analysis. Table 1 being participation data and Table 2, enrolment greater than 70 days (That data includes students in Alternative Education and Kimi ora - Special Education).**

In what proved to be another very difficult year, inclusive of the COVID -19 Pandemic and cumulative wellbeing data, our NCEA results were in line with our predictions, particularly around participation data. The participation data show a significant improvement in the achievement rate for Level 1 at 83.7% (81.0% in 2020), Level 2 at 86.3% (82.6% in 20120) and at Level 3 at 83.0% (77.7% in 2020). All three, year levels increased however, UE fell to 44.8% (49.5% in 2020). When viewed from the 70 plus days enrolled data, Level 1 is 62.7% (66.6% in 2020). For Level 1, Literacy was slightly lower and numeracy by about 7%.

Cumulative results, by the end of Year 13 show Literacy at 93.4% (Nationally 94.2%) and Numeracy 9.6% (Nationally 93.5%). The Level 2 achievement rate improved significantly once again to 77.5% on the back of the 2020 cohort Level 1 results of 66.6%. There was also a 3% increase on the 2020 Level 2 outcome of 74.5%. Level 3 data is lower with an achievement rate of 64.6% compared to 67.9% in 2019. UE however was down, 38.4% (44.7% in 2020). Also, of note, but difficult to quantify is the impact of 2 years of COVID -19 Pandemic and the ongoing effects of March 15 (2019). What we do know is that the wellbeing needs of students and staff continue to provide an ongoing challenge.

Our results for students have now also seen a decrease in the achievement of Merit and Excellence endorsements, except Level 3 Merit which improved to 23.1% (19.9 in 2020). Students have been strongly encouraged to strive for personal excellence. This is supported by school wide involvement in academic counseling, which is used to support goal setting, mentoring and the monitoring of student progress and has proved to be a very positive process with staff, students and parents/caregivers. However, with the ongoing disruptions and lack of continuity, this process has also been significantly affected and we are potentially seeing that in our students results.

The one strong positive from the year is the continued improved outcomes for level 2 students, who have significantly improved as a cohort from level 1 and are performing in-line with national outcomes. These level 2 results are evidence of continuous improvement and significant value added for students. When students are engagement, they will make progress and this has been reflected in their achievement

<p><b>Student Engagement</b></p>	<p>A number of strategies are in place to support student engagement:</p> <p>Student attendance is monitored using the KAMAR Student Management System. Daily texts are sent out to parents/caregivers on the first day students are absent without a reason being given. If no response is received a letter is sent home within one week. Attendance is followed up by sending letters to the homes of students who drop below 80% attendance. This is tracked through year group liaisons and weekly meetings with our Attendance Service. The Rock On Programme also operates and the committee meet once a month. A school wide 'lateness system' operates alongside these systems.</p> <p>Engagement reports operate across all year levels of the school. Parents/ Caregivers receive fortnightly reports on a scale of 1 to 3 highlighting how engaged their child is in their learning. This information is used school wide and is embedded in the Academic Counselling programme.</p> <p>Information relating to our students is gathered through such processes as; Year 9 entry interview, Year 9 Transition Survey, Academic Counselling, the perception survey, student committees and councils and from specifically identified and targeted groups as appropriate.</p>
<p><b>School Organisation and Structures</b></p>	<p>BOT will ensure that PHS works in an inclusive way to meet its obligations under the Treaty of Waitangi</p> <p>"Any practice, activity or decision shall be lawful, prudent, ethical and consistent with best educational practice"</p> <p><b>Emergency Principal Succession:</b> In order to protect the board from sudden unavailability or loss of the Principal to the school, the Principal should have no fewer than two other senior managers sufficiently familiar with board and Principal issues, and processes to enable either of them to take over with reasonable proficiency as an interim successor.</p> <p><b>Health and Safety:</b> Provide a safe physical and emotional environment for students and staff and recognise the need to provide a safe environment for others using the school. (NAG 5)</p> <p><b>Students and other learners:</b> Develop and implement teaching and learning programmes as prescribed by the National Curriculum document with a focus on flexibility that ensures individual learning goals for all students. Ensure comprehensive assessment practices are in place to enable the progress and achievement of students to be evaluated. (NAG1)</p> <p><b>Communication and Support to the Board:</b> The principal will ensure the board is informed and supported in its work. Information will be provided in a timely, accurate, relevant and understandable manner. Any actual or potential risks will be reported to the board in a timely manner. The principal will foster a good relationship with the board and support the boards' holism. (NAG 2)</p>

	<p><b>Asset Protection:</b> Ensure on-going monitoring and the safety of school property and resources. Ensure any new development is in line with the schools' goals and strategies, including maintenance, safety, security and appropriate risk management (including insurance). (NAG 4)</p> <p><b>Finance:</b> Financial planning ensures that the allocation of funds reflects the school's priorities as stated in the charter. Expenditure of school funds will be monitored and controlled to ensure prevention of theft and fraud, waste and to maintain solvency. In particular:</p> <ul style="list-style-type: none"> <li>•Reserves may not be used without the approval of the BOT</li> <li>•Protected funds may not be used for anything other than their purpose without prior approval from the BOT</li> <li>•Principals credit card and other unbudgeted expenses related to the Principal will be signed off at the BOT meetings</li> <li>•Financial delegations. (NAG 4)</li> </ul> <p><b>Personnel:</b> Be a good employer as defined in the State Sector Act 1988 and comply with the conditions contained in employment contracts applying to teaching and non-teaching staff. Provide a mutually supportive, development focussed learning environment that fosters collegiality to ensure best educational outcomes for our community. (NAG 3)</p>
<p><b>Review of Charter and Consultation</b></p>	<p>The Papanui High School charter will identify the mission, aims, objectives, directions and targets of the school, ratified by the Board of trustees, and will give effect to the Government's National Education Guidelines and the Board's priorities.</p> <p>The school consults with its school community on the development of the strategic plan. This consultation process takes place once every three years and is reviewed by the board annually. Where appropriate selected focus groups (e.g., Māori community, Pasifika community, parents of children with special needs) as identified by the boards annual review will be engaged in wider discussion.</p> <p>The current Strategic plan has been formulated as part of the Education Brief process 2018/2019. Significant community consultation was sort as part of the process and used to support the strategic direction for the next three years. A full junior curriculum review will take place in 2021/2022.The Education Review Office has changed its engagement process, which now becomes an annual consultative strategic reviewed with the school. This process will help shape and direct the 'next steps' and help reset the strategic direction on an ongoing basis. Information is identified and gathered from the following sources:</p>

# Tōtaranui Kāhui Ako Strategic Plan 2022

## Positive Engagement for Learning

### Moderation

- The Tōtaranui Community of Learning will develop moderation skills and capabilities in staff leading to increased dependability of assessment information they gather and the judgements they make about student learning in the curriculum.

## Supporting Principles;

### PERSONAL & SOCIAL WELLBEING

All learners will develop competencies in self-management, relationships, and problem-solving so they can lead healthy active lives and make a positive contribution to their community.

### WHĀNAU & COMMUNITY INVOLVEMENT

A culture is supported where the school, families/whānau and the community work together in an inclusive, collaborative, and culturally responsive way to enhance learning. Within this, whānau and community will be embraced and acknowledged by developing reciprocal relationships along our pathway whilst acknowledging the bicultural nature of New Zealand through Te Tiriti o Waitangi.

### ENGAGEMENT & INCLUSION

All learning will be relevant and valued and will lead to motivation and engagement while instilling a sense of belonging that supports participation in school life.

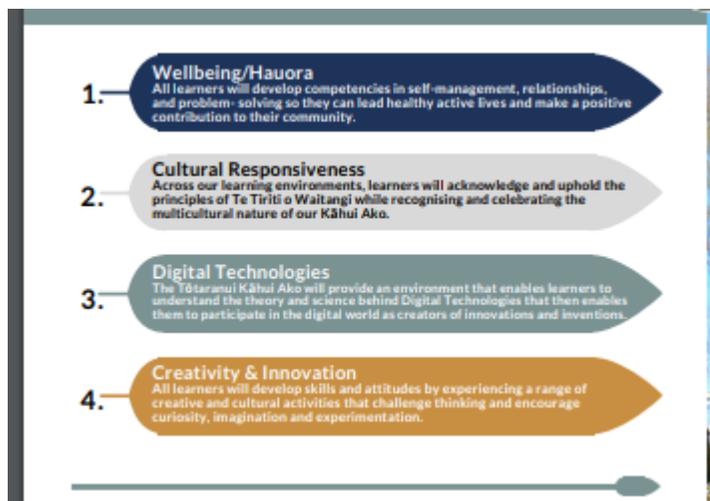

### CULTURAL RESPONSIVENESS

All learners will have their own culture acknowledged and responded to in their learning and will be valued as bicultural citizens in a multi-cultural society.

### CREATIVITY & INNOVATION

All learners will develop skills and attitudes by experiencing a range of creative and cultural activities that challenge thinking and encourage curiosity, imagination and experimentation.

## ACHIEVEMENT CHALLENGES

Each school will provide a range of initiatives to meet these Challenges and these will be further supported by members of the Kāhui Ako collaboratively focussing on the following areas of Strategic Development .

1. Wellbeing including Whānau and Community involvement
2. Cultural Responsiveness through Engagement and Inclusion
3. Digital Technologies
4. Creativity and Innovation

Further details about the Achievement Challenges and the Action Plan supporting these are located on the Attachments and Links page on the Kāhui Ako Website.

### 2022 Across School Teachers Strategic Support for Papanui High School Particular focus on Boys Education

- Work with all AST's to facilitate an inquiry into the gender disparities in achievement data
- Work with Year 10 leadership group to deliver Kāhui Ako event
- Research best practice to develop understanding of what works best for boys including physical environment.
- Support the school's internal evaluation plan for improving Boys' education.
- Celebratory Events

## Strategic Section

Strategic Goals Student Learning, Engagement and Transition	Core Strategies for Achieving Goals 2022 – 2023
<p><b>Curriculum – innovation and design</b></p> <p>Provide a curriculum framework that aims to support all students achieving a <i>minimum of Level 2 NCEA and/or successfully transitioning to further study or employment.</i></p> <p>Ensure all students’ academic and social growth leads to appropriate pathways beyond secondary education</p> <p>Investigate how student interest and strengths can underpin class placement and learning context to inform curriculum development</p>	<ul style="list-style-type: none"> <li>• PHS curriculum is reimaged and redefined to inform the current rebuild process.</li> <li>• Link curriculum initiatives, developments and data to analyse the impact on boy’s achievement.</li> <li>• Develop the PHS Graduate Profile, i.e. what does the “Papanui Learner” look like. Ensure the language used results in deep student understanding of the profile. Link with PRIDE values and used in a collaborate way to discuss a learner and their achievement aspirations.</li> <li>• Explore ongoing learnings from COVID-19 and review distance learning strategies to inform future curriculum initiatives and incorporate “best practice” distance learning delivery.</li> <li>• Develop a collaborative approach to understanding students’ longitudinal learning pathways by using the Tōtaranui Cluster to gain a greater understanding of year 7 and 8 learning and the transition for these students to PHS.</li> <li>• Transitioning Year 8 to 9 - aligning entry data for student profiling, using this to improve transition to high school and obtain an accurate learning profile for each student which can support and inform teaching/learning and school wide curriculum structures such as class placement.</li> </ul>
<p><b>Digital Technologies</b></p> <p>Digital Technologies taught to develop digitally capable thinkers, producers and creators, and how they can use this knowledge to solve problems and become creative innovators of digital solutions.</p>	<ul style="list-style-type: none"> <li>• Monitor and review the implementation of the digital technologies’ curriculum, its learning outcomes and assessment/reporting of these outcomes. Determine if the content is authentic, engaging and considering prior learning.</li> <li>• Provide PLD opportunities for all staff allowing them to develop an understanding of how they can implement aspects of the digital technologies’ curriculum. Encourage staff to enroll in Kia Takatū ā-Matihiko (National digital readiness programme).</li> </ul>

<p><b>Data</b></p> <p>Through the monitoring of achievement and engagement data student outcomes will be regularly analysed to determine the need for intervention</p>	<ul style="list-style-type: none"> <li>• Data manager and team continue to call for requests for data to enable to make fact-based decisions on programmes to enhance the engagement and success of students.</li> <li>• Develop methods to use student entry data as predictor of academic achievement so as to set goals with students for succeeding years.</li> <li>• Establish working relationship with Across School and Within School CoL teachers to understand and produce data as required.</li> <li>• Communicate entry data findings with contributing schools to ensure consistency and relevance for successful transitioning.</li> <li>• Respond to staff request to provide the data and /or the skills to find and report the data appropriately. This includes increasing the staff capacity to use KAMAR and other data manipulating packages to individually analyse student performance and to inform their inquiry.</li> </ul>
<p><b>Academic Counselling</b></p> <p>Monitor academic outcomes for all students, with a focus on Maori, Pasifika, migrant and refugee groups, ELL students and students with special needs.</p> <p>Further develop and embed the process of monitoring “at risk” students so that it is cohesive and transparent and accelerates the learning for these identified students</p>	<ul style="list-style-type: none"> <li>• Build within school connections between AC and careers education, including a Junior careers programme.</li> <li>• Use the Within Schools COL staff to build the capacity of all academic counsellors in the delivery of effective AC processes, with a particular focus on quality mentoring conversations and achievement data analysis.</li> <li>• All AC mentoring conversations will be culturally responsive and digitally accessible.</li> <li>• There will be a school wide understanding of achievement data and the analysis of this.</li> <li>• AC administration will become digital and widely accessible to staff, students &amp; whānau.</li> </ul>
<p><b>Real Time reporting</b></p> <p>To provide up-to-date information on learning outcomes for student and parents/caregivers.</p>	<ul style="list-style-type: none"> <li>• Staff will use Real time Reporting (RTR) as the main form of presentation of Learning Outcomes for all standards assessed in subjects studied in the senior school.</li> <li>• Templates/exemplars for staff will be used as best practice to support quality information about student progress.</li> <li>• Develop and implement a framework for junior RTR.</li> <li>• Review the frequency and quality of comments produced by staff via a quality assurance process.</li> </ul>

<p><b>Professional learning and Development</b></p> <p>Ensuring that all PLD is relevant to the IEL school focus diagram. This incorporates improved academic and social outcomes in conjunction with pedagogy, best practice, data, academic counselling and reporting whilst functioning in a teaching and learning environment focussed on Culturally responsive practise, Well-being and digital citizenship and supported by inquiry practice.</p> <p>(BAU) PLD management committee oversees the specific distribution of PLD funds in a way that enables staff to continue to upskill in the curriculum or speciality area.</p>	<ul style="list-style-type: none"> <li>• Deliver quality PD in which staff can clearly see and understand the inter-relationships of the IEL themes for increased personal and student outcomes.</li> <li>• Seek staff feedback to obtain a 'voice' and understanding for the ongoing internal provision of PD</li> <li>• Utilise the expertise of the WSTCoL members to support professional learning groups and provide workshops for staff in the areas of expertise identified.</li> <li>• Engage externally funded PD to support Junior Curriculum review.</li> <li>• Use a collaborative process to enrich the learning process.</li> </ul>
<p><b>PRIDE values</b></p> <p>The School wide values system "Papanui PRIDE" will underpin student learning, engagement and behaviour to maximise student outcomes.</p> <p>Staff and Student wellbeing will be supported through the fair and consistent use of student management systems and the school's wellbeing model.</p>	<ul style="list-style-type: none"> <li>• The well-being committee will refine/implement a wellbeing model that is culturally responsive and reflects the PRIDE values.</li> <li>• PRIDE values and the school's wellbeing model are taught and exhibited in all settings so they can become embedded in the school culture.</li> <li>• The WST with responsibility for "Positive Engagement for Learning" will develop resources using the PRIDE values as a tool to support student engagement</li> <li>• New staff induction includes PRIDE values.</li> </ul>
<p><b>Professional Development Focus</b></p> <p><b>Cultural Responsiveness</b></p> <p>As a school we are focussing on increasing culturally responsive practice in a number of</p>	<ul style="list-style-type: none"> <li>• A leadership group, Te kei o te waka, is established with representatives from different areas of the school to meet regularly. This group will establish goals and business as usual guidelines to embed cultural responsiveness into school practice.</li> <li>• School processes are looked at through a cultural responsiveness lens to identify areas where relationships with Whanau and community can be strengthened in order to increase student and family engagement.</li> </ul>

<p>areas. These include the curriculum based Maturaranga Maori, alongside the development of school wide Te Reo values and goals and common language given to us through the cultural narrative. These school wide change projects embrace the Principles of Ka Hikitia-raising educational achievement for Maori.</p> <p>The Principles of this change project are based around culturally responsive and relational pedagogy. It is important to reflect that all students will achieve where these principles are applied.</p> <p>Culturally responsive practice will be woven through the themes of the school wide PLD delivered through the WSTCoL.</p>	<ul style="list-style-type: none"> <li>• New teachers are explicitly inducted into Culturally Responsive and Relational Pedagogy through the new teachers' group and the leadership within their departments.</li> <li>• To have as a PLD focus; Departments embedding Maturaranga Maori into curriculum contexts and classroom integration.</li> <li>• All teachers engaging in developing Culturally Responsive and Relational pedagogy and having confidence in using Te Reo and classroom appropriate Tikanga.</li> <li>• Staff continue to be encouraged to learn the school Haka, Karakia and waiata to increase confidence in Te Reo and the Tikanga Maori</li> <li>• Explore engagement opportunities to learn how Matariki can be integrated into the school</li> </ul>
<p><b>Professional Development Focus</b></p> <p><b>Digital Citizenship</b></p> <p>All teachers will engage in a learning inquiry to further develop their understanding of their own digital technology needs and how they can utilise this in their classroom. This learning inquiry will be part of the wider school wide goals of increasing student engagement and achievement.</p>	<ul style="list-style-type: none"> <li>• Staff understand digital citizenship and how it relates to their practice.</li> <li>• Teachers use appropriate technologies to enable a collaborative inquiry focussed approach.</li> <li>• Schemes of work reflect the collaborative inquiry focussed approach and staff support each to achieve this by sharing best practice.</li> <li>• Sharing of best practice and student-centred collaborative learning is embedded into department teaching and learning.</li> <li>• Blended student-centred collaborative learning experiences based on evidence-based inquiry will be evident</li> </ul>

<p><b>Pasifika</b></p> <p>The vision is to see 'Pasifika learners participating, engaging and achieving in education, secure in their identities, languages and cultures and contributing fully to Aotearoa New Zealand's social, cultural and economic wellbeing'.</p>	<ul style="list-style-type: none"> <li>• Work with local ministry and key community staff to support a programme of engagement of our Pasifika community (such as SPACPAC) within the school.</li> <li>• Implement step 1 of the Pasifika action plan.</li> <li>• Through the use of Fono's, ongoing gathering of community voice to raise awareness of the need to improve and increase engagement, build relationships and make connections to improve communications and allow students, their parents and families an opportunity for them to have a 'voice'.</li> <li>• Explore opportunities for teachers to learn and understand what identity, languages and culture means for our Pasifika students.</li> <li>• Explore further opportunity to celebrate success, and understand how that is celebrated from Pasifika perspective</li> <li>• Develop working parties to explore strategies to raise Pasifika learners' participation, engagement and achievement with the aim of successfully transitioning students into further study or the work force.</li> <li>• Review Aiga Form as an entity to see if students are meeting expectations around positive outcomes.</li> </ul>
<p><b>Roll Growth</b></p> <p>To manage student numbers in line with resourcing</p>	<ul style="list-style-type: none"> <li>• Monitor and review school numbers in-line with school building cap of 1650 and in zone/out of zone numbers, with the view to reduce out of Zone enrolments.</li> <li>• Monitor and review contributing school data for student intake, historical and current. Cross reference adjustments to retention rate of Year 10-13 students.</li> <li>• Monitor and review Year 9 out of zone places offered and percentage uptake of offered places.</li> <li>• Monitor Year10-13 transitioning students in zone to Papanui High School.</li> <li>• Monitor roll numbers following the 2022 introduction of the Breens Corridor shared zone with Burnside.</li> <li>• Monitor special character in- zone data for Kimi ora department numbers and staffing.</li> <li>• Monitor In-zone Subdivision Developments to analyse impact on enrolments.</li> <li>• Monitor Catchment/zone numbers and track actual student enrolment placement from contributing schools to review trends in relation to the 'type' of secondary school education selected.</li> <li>• Monitor international markets and numbers to maintain balance in nationalities and growth in numbers</li> <li>• Monitor and manage employment of Staff due to roll fluctuations</li> </ul>

<p><b>School Finance &amp; Property</b> <b>(Building Developments and Pedagogy)</b></p> <p>Operate within annual grants and current constraints imposed by the Ministry for property development. Continually upgrade and beautify environment.</p> <p>Prepare an annual budget which reflects the school's objectives and priorities for the allocating of funds.</p>	<ul style="list-style-type: none"> <li>• Master Planning initiated through MOE. BOT - monitor master plan building projects and completion dates.</li> <li>• Ongoing research and investigation of pedagogical understanding of how teaching and learning needs can be met by building design.</li> <li>• Ensure staff, student and community voice remains a focus in the property development programme</li> <li>• Day to day accounting functions are carried out in accordance with management guidelines and process for the school.</li> <li>• Maintain control of expenditure to ensure Boards funds are kept within the school budget whilst improving the school financial position</li> <li>• Ensure annual accounts are prepared with the Audit Office requirements and all information is available in line with legislation</li> <li>• Ongoing review and analysis of funds to continue basic repairs and maintenance programme in-line with funding freeze</li> <li>• Grow locally raised funds through increasing the number of International students (now able to return) to support resourcing within the school.</li> </ul>
<p><b>Health and Safety</b></p> <p>Ensure the school environment meets the requirements of the Health and Safety at Work Act 2015.</p>	<ul style="list-style-type: none"> <li>• Review the strategic framework which has been developed to underpin how Health and Safety operates in the school.</li> <li>• Safety Seek programme implemented.</li> <li>• Continue to develop and review Best Practice regarding the reporting of Health and Safety in the day to day running of the school, and for reporting to the Board of Trustees as Governance.</li> </ul>
<p><b>Personnel</b></p> <p>Staff employment and meeting professional standards</p>	<ul style="list-style-type: none"> <li>• Continue to revise and improve the framework for identifying staff strengths and expertise with the aim to prioritise characteristics for vacancies and to ensure capacity building.</li> <li>• Gather data from staff groups/departments with identified employment requirement i.e. balance of provisional, 3-7 year and experienced teachers to ensure a balanced representation is met and capacity continues to be built.</li> <li>• Ensure succession planning is embedded in the culture of staff development and replacement</li> <li>• Embedding of the adopted approach for supporting Certification and meaningful annual Appraisal/Professional Growth Cycle for all Teaching Staff.</li> </ul>

<p><b>Community Engagement</b></p>	<ul style="list-style-type: none"> <li>• Review partnership to ensure they are meeting the schools needs and actively seek further community partnerships that enhance the learning of students and support the various 'needs' of each organisation where appropriate.</li> <li>• Ongoing self-review of Adult Community Education data to ensure viability.</li> <li>• Plan and action the process for community engagement to gather data to develop strategic direction for 2023 plus.</li> </ul>
<p><b>Wellbeing</b></p> <p>Recognition of the importance of understanding and experiencing 'wellbeing' as Staff and Students at PHS</p>	<ul style="list-style-type: none"> <li>• Refine/implement a wellbeing model created by the staff at PHS.</li> <li>• Wellbeing surveys data review and establish working parties to discuss and present findings to staff and develop a long term and sustainable action plan</li> <li>• Student Wellbeing committee develops and implement a strategic plan to support student wellbeing at PHS</li> <li>• Feedback to staff and implement short term strategies to support wellbeing of staff and students</li> <li>• Investigate how wellbeing goal(s) can be included for staff appraisal and students' Academic Counselling - conversations/documents</li> <li>• Wellbeing model taught and exhibited in all settings.</li> </ul>

# 2022 Annual Goals and Specific Targets

Supporting the Ministry of Education Student Achievement Goal – “All students graduate with a minimum NCEA level 2 or equivalent qualification”.

## Goal 1

### Improvement Plan - Domain: Learning    Year 12 Academic Improvement Goal

#### Strategic Goals:

Improve outcomes for all students, particularly Māori, Pasifika, and students with special needs.

Accelerate progress of students performing below expectations.

#### Annual Goal:

Accelerate progress of Maori students performing below expectations in NCEA by;

“Reducing 17.0% participation gap in achievement by Maori as compared to NZ European identified by the PHS 2021 Level 1 NCEA participation results”.

#### Annual Target:

Targets have been set for Year 12 students following identification of capability of achieving NCEA Level 2 in 2022 from 2021 Level 1 results.

96.4% of those returning who achieved Level 1 in 2021 will achieve Level 2 in 2022. (data based on eligibility through retention to the end of 2022 and entered in sufficient entries to gain Level 2 NCEA, n=192/199) 47.4% of those returning who did not achieve Level 1 in 2021 will achieve Level 1 and 2 in 2022 (data based on eligibility through retention to the end of 2022 and entered in sufficient entries to gain Level 2 NCEA, n=37/78)

The combined Level 2 achievement target for all students in 2022 is 83.3% from the 2021 Level 1 Achievement of 83.7%. (data based on eligibility through retention to the end of 2022 and entered in sufficient entries to gain Level 2 NCEA, n=229/275)  
(2021 Level 2 Overall Achievement was 81.0%)

**Maori Students - Achievement**

92.0% of those returning who achieved Level 1 in 2021 will achieve Level 2 in 2022 (data based on eligibility through retention to the start of 2021 and entered in sufficient entries to gain Level 2 NCEA) (n=23/25)

38.9% of those returning who did not achieve Level 1 in 2021 will achieve Level 1 and 2 in 2022 (data based on eligibility through retention to the start of 2021 and entered in sufficient entries to gain Level 2 NCEA) (n=7/18)

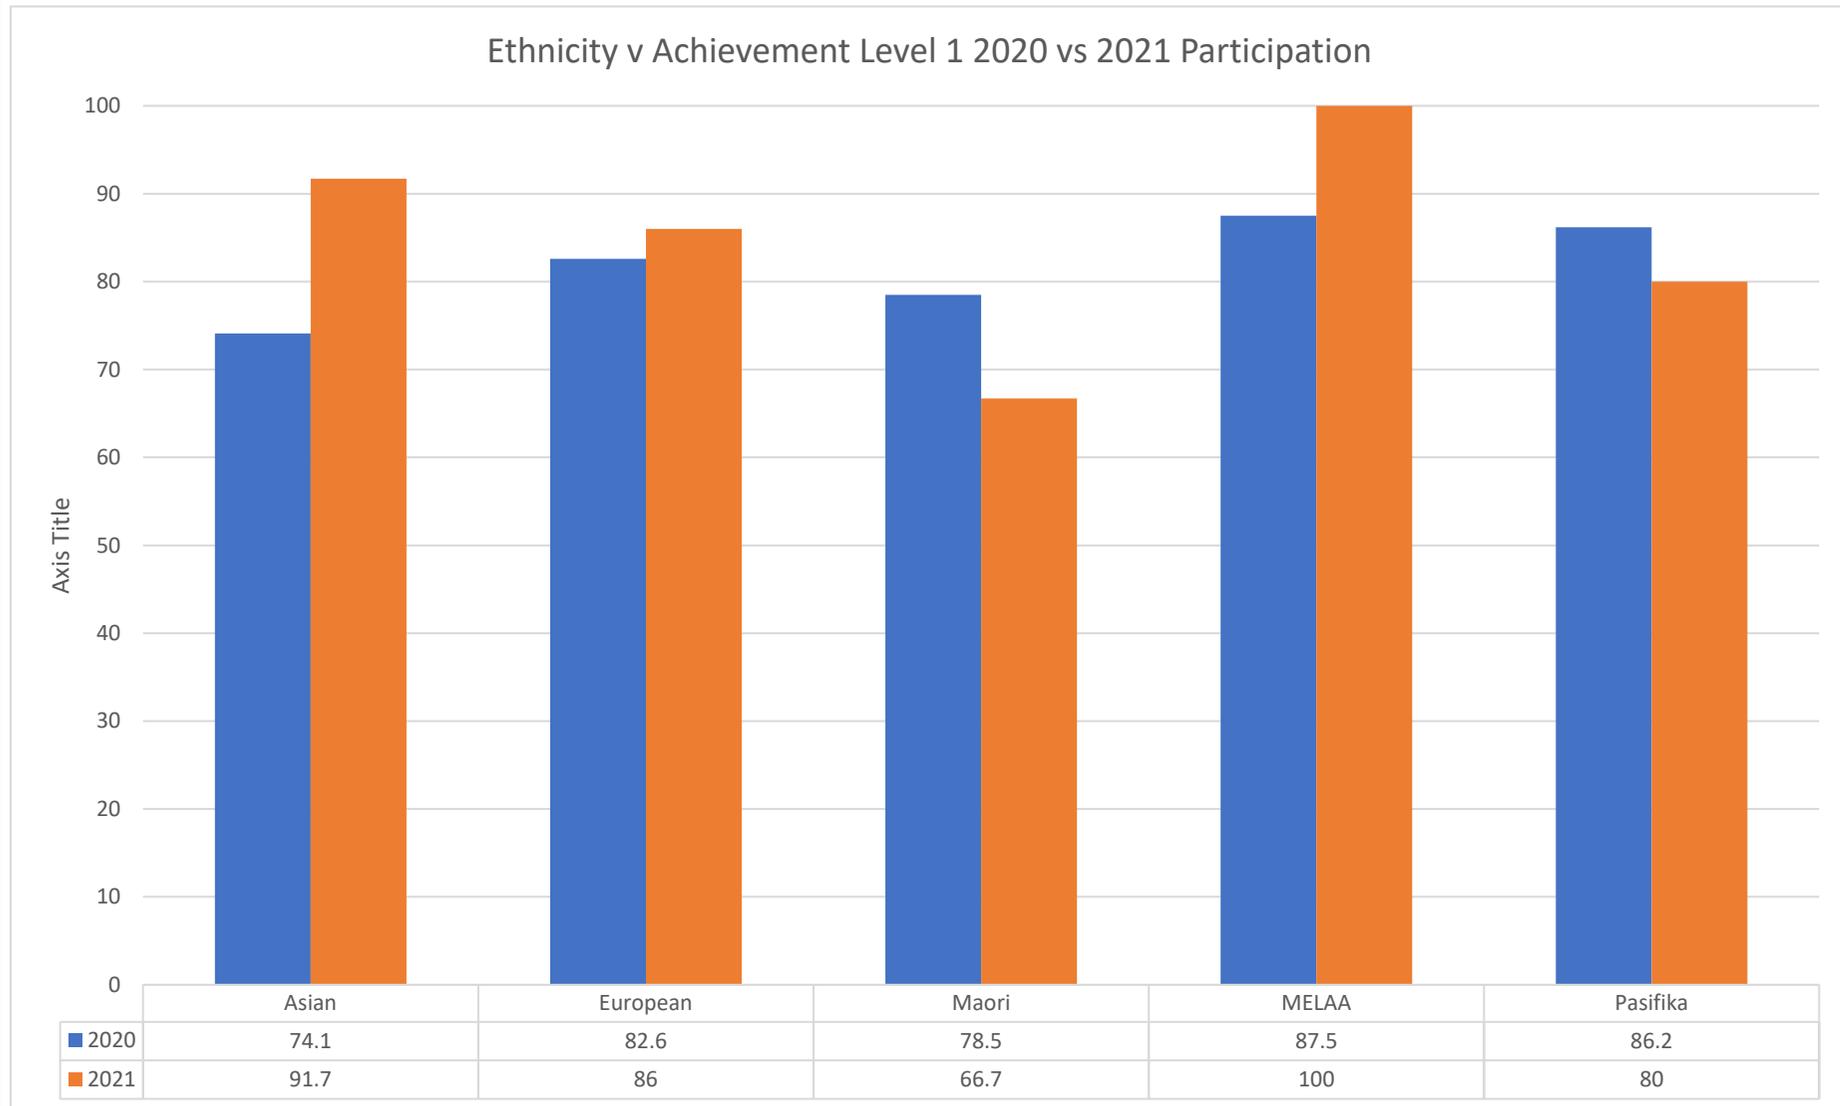

The combined Level 2 achievement target for Maori Students in 2022 is 69.7% - (data based on eligibility through retention to the start of 2021 and entered in sufficient entries to gain Level 2 NCEA) (n=30/43)  
(2020 Level 2 Maori Achievement was 89.7%)

**Baseline data**

	ALL STUDENTS	MAORI
Have Level 1 2021 and will get Level 2 2022	192 Yes - No 7 192/199 = 92.0%	23 Yes - No 2 23/25 = 92.0%
Did not get Level 1 2021 but will get Level 2 2022	37 Yes - No 78 37/78 = 47.4%	7 Yes – No 11 7/18 = 38.9%
Overall get Level 2 With usual caveats	229/275 = 83.3%	30/43 = 69.7%

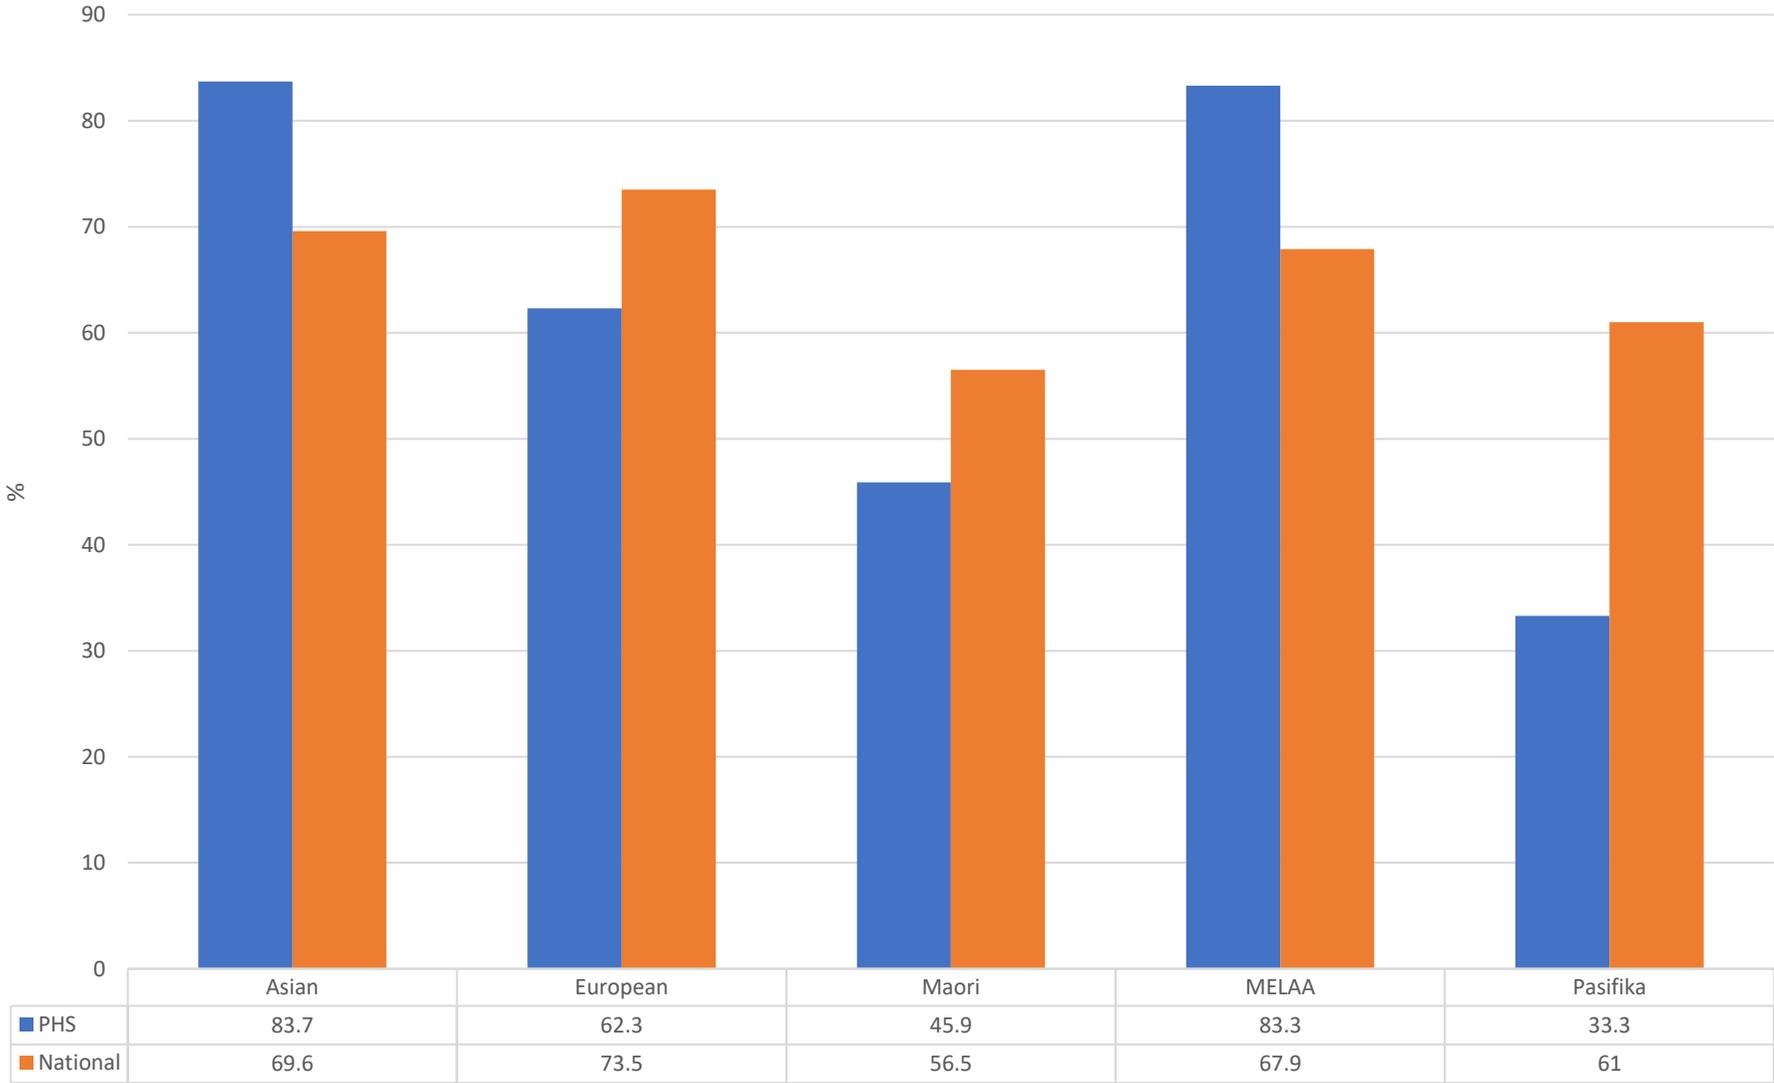

**Baseline data:**

**Ethnicity and Achievement Graph Level 1**

The 2021 Participation analysis of NCEA results identified Papanui High School Maori students' achievement as 66.7%, a 11.8% reduction on 2020 (78.5%) achievement rate. There is also a significant reduction when compared to NZ European. The deficit of 19.3% for 2021 as compared to 4.1% in 2020.

Level 1 Achievement - Ethnicity 2021

The 2021, 71 days enrolment data analysis of NCEA results identified Papanui High School Maori students' achievement as below the national average by 10.6%. For Papanui High School, Maori Achievement was below European achievement by 17.0%.

### Key Improvement Strategies:

When:	What:	Who	Indicators of Progress
All Year	Subject Learning	Classroom Teachers	Achievement data
All Year	Academic counselling	Form Teacher (supported by subject teachers and careers staff) Data team to produce appropriate reports	Goals set and reviewed Appropriate course selection Student achieving at or above expected NCEA level.

## Goal 2

### Improvement Plan - Engagement Goal and Achievement

**Strategic aim:**

Improving academic and engagement outcomes for boys in Years 9 and 10.

**Annual aim:**

To develop and support a coherent approach to implementing and evaluating the priority actions selected to raise achievement and engagement for boys in Years 9 and 10 for continuous improvement.

**Target:**

The target Group will become identified Year 9 and 10 male students who are at significant risk of not achieving NCEA.

**Baseline data:**

The school has gathered and uses a range of stakeholder input. This includes reflections from Māori whānau, Pacific fono, Wellbeing@School survey, staff surveys and a range of student group forums. This information has contributed to the baseline for establishing the school's strategic pillars, and for the action groups that are the focus of this evaluation.

**Evaluative Question**

How effective are our selected actions in improving Year 9 and 10 boys' achievement and engagement?

**Investigative Questions and Prompts**

To what extent:

- Does our junior curriculum provide the academic foundations boys need for success, especially in English, Maths and Science?
- Does our school provide a culturally responsive learning environment for boys?

**Evaluation Indicators**

- Grow Waitaha indicators; meaningful pathways and NCEA L2 achievement

## **APPENDIX 1**

### **PAPANUI HIGH SCHOOL – ANNUAL PLAN OVERVIEWS 2021**

#### **Papanui High School**

#### **Combined Leadership Committee**

##### **Rationale**

This group consists of Members from the Curriculum Leadership Team, the Assessment and Reporting Leadership Team, and HOD's & TIC's with curriculum responsibilities. The group is facilitated by the Senior Leader with Responsibility for this area. The aim is to reduce the dissemination of information through three committees and streamline working parties to improve efficiency of task outcomes. The three independent committees will also function independently as required. Their Business as Usual and Goals are set out below.

#### **Papanui High School**

#### **Curriculum**

##### **Business as usual**

The curriculum team will:

- ensure curriculum design and delivery in the school dovetails with the direction informed by the strategic plan
- maintain an awareness of national curriculum initiatives and evidence-based research to inform the development of the PHS curriculum ensuring it is future focussed
- hold responsibility for new courses and their organisation (curriculum design)
- work with departments to ensure courses meet student needs and where needs are not being met, suggest alternatives
- promote the intentional teaching and learning of literacy & numeracy skills
- ensure future focussed pedagogy utilises digital resources
- circulate and discuss readings of current research and best practice to keep members of the team informed and up to date
- share best practice of curriculum design and delivery
- annually review viability of courses and current practices and support departments as they accommodate both falling and rising student numbers
- use small action groups to further pursue/deliver/audit curriculum developments
- annually discuss with the timetable team any innovative timetabling arrangements for effective curriculum delivery/trials for the following year
- further the cause of personalised learning
- attend to any other curriculum business as it arises

## 2022 Goals

Goals	Responsibility
Review the educational outcomes of our junior students to ensure that PHS offers a curriculum that is “fit for purpose” and prepares our students to be capable learners in our senior school. Further details of the specific goals can be found in the Junior Curriculum Review Proposal document	ARL will have oversight but a large number of staff/students & the community will be involved

## Papanui High School

### Literacy & Numeracy

#### Business as usual

The acquisition of Literacy & Numeracy skills and knowledge is fundamental, not only to students personal and social development, but also to their ability to understand, evaluate, dissect and disseminate knowledge and, consequently, to their ability to function effectively in society. Papanui High School endeavours to provide every student with opportunities to develop their reading & comprehension, writing, speaking and listening, spelling, grammar & punctuation, vocabulary, and numeracy skills to ensure their learning progresses and is acknowledged through NCEA achievement.

The development of literacy & numeracy skills ensures students:

- have the necessary tools to access the curriculum
- (know/find the strategies to access) are able to transfer knowledge, ideas and skills between subject areas
- recognise the importance of and enjoy reading for pleasure
- recognise the value of writing and communicating effectively
- recognise and value the importance of being numerate and have an ability to solve problems, to reason, to think logically and to work systematically and accurately

## 2022 Goals

Goals	Responsibility
Form an Action Team to develop processes for upskilling staff and overseeing students' achievement in relation to the acquisition of Literacy & Numeracy skills	ARL, RBR, EDF
Structure to deliver and target identifiable students who need specific needs supported	
To be well equipped to aid the implementation of the Literacy & Numeracy co-requisites to be introduced through the NCEA change programme	ARL, RBR, EDF

### **Pastoral & Wellbeing**

#### **Business as usual**

Pastoral Care at PHS is the responsibility of every staff member. It is the practice of looking after the personal and social wellbeing of students and encompasses a wide variety of issues including health, social education, behaviour management and emotional support.

The leadership of Pastoral Care has been distributed to several teams that operate within the school. These teams work to address issues that evolve from the core tasks of pastoral care.

The Pastoral care team aims to:

- Oversee the general wellbeing of all students in the school
- Work with the COL AC, wellbeing and PE4L staff to monitor student progress (Academic, Mental/Emotional and Social).
- Work with teachers, HOD's and form teachers to monitor student behaviour.

- Work with form teachers to monitor student attendance and act when necessary.
- Offer pastoral support and guidance to colleagues, parents and the wider school community.
- Continue to provide a support network for students to meet their social, emotional and behavioural needs
- Use data to determine effectiveness of pastoral interventions and react accordingly.
- To work with the GATE co-ordinator and LSC etc to identify students with particular learning needs (supported learning or gifted/talented)
- Create a culture of belonging within the school year/group
- Use assemblies to celebrate PRIDE values, and the diversity of the school and to set the tone and culture of the year group and wider school
- Offer leadership opportunities to students.
- Continue to support the development of positive relationships between staff, parents and students.
- Work with the careers department to plan appropriate pathways for students

In addition, the pastoral care team or more specifically the **Pastoral Care Action Group – School culture** will undertake to discuss, introduce, review or revise any systems within the school that are within their scope and usage.

### 2022 Annual Goals

### Co-curricular Leadership Committee

#### Business as Usual

- The committee has approximately 8 - 12 members, including a representative from the Head Student Team, the Arts, and Sports Co-ordinator's and SLT in charge of the CCLC. Meetings provide the opportunity for staff/students with specific areas of responsibility to feedback on the progress of their activities.
- This leadership group has oversight of student leadership, fundraising, sport and the arts.
- This leadership group seeks and provides opportunities for students to develop leadership skills through a range of contexts including leadership development teams, Councils, Sport, Arts, Culture, Community Activities and Service.
- The role of the committee is also to encourage student led initiatives, enhance school spirit/pride and ownership, discuss school wide co-curricular issues, make decisions surrounding new initiatives, and distribute co-curricular funding if and when required.
- We aim to encourage all students and staff to continue to be involved in the wide variety of co-curricular activities offered by the school.

## Papanui High School

### House System Leadership Committee

#### Business as Usual 2022

- The committee has approximately 8 - 12 members, including members of the SLT, the 5 staff House Leaders and eventually student House leaders.
- Meetings initially involve 'first steps' for getting a house system back up and running. Then they will provide the opportunity for staff/students to feedback on the progress of their activities in relation to the House system.
- The role of the committee is to meet our school goals in the strategic plan by encouraging student-led initiatives, enhancing school spirit/pride and ownership, by making decisions surrounding new initiatives, and by consulting with other interested parties across the school.
- We aim to encourage all students and staff to continue to be involved in the wide variety of House actions and activities offered by the school.
- As an action group we will periodically report back on our work to the Senior Leadership Team and the Board of Trustees.

#### 2022 Annual Goals:

HSLC Goals	Responsibility
To align initial House system thinking with the Strategic direction of the school.	HSLC
To establish a pilot programme of House actions in term 4 2022 across the school, as a forerunner to 2023.	HSLC

### Staffing and Conditions

#### Business as usual

Staffing and Conditions leadership team has oversight of the issues related to working conditions in the school for all staff, including equity, and staff wellbeing.

The representative team offer staff a variety of contact people to whom they can take issues, and the committee then decides the appropriate process and people to address these issues.

The team seeks to;

- Oversee the general wellbeing and working conditions of all school staff
- Address issues impacting on this
- Offer support to colleagues as appropriate
- As necessary undertake staff surveys to collect data about pertinent issues
- Assist in the creation and maintenance of a positive workplace culture

In addition, the Staffing and Conditions team will undertake to discuss, introduce, and seek review or revision of any systems within the school that are within their scope and usage.

### GATE (Gifted and Talented Education)

#### Business as usual

Giftedness is involuntary – a gift. It gives no cause for claims of elitism. Approximately five of every hundred children, can be classified as “gifted”. (From MOE Website)

PHS GATE supports students (identified as students with special needs by Ministry of Education) to achieve personal, academic and life goals through:

- GATE coordinator working with the dean, and Supported Learning to select students for A band Year 9 classes at the end of the previous year. GATE coordinator oversees placement of students in A band classes & where movement is required to meet student need. Placement of students in A band is to meet priority learning needs.
- Year 9 students being selected for the GATE programme after the completion of diagnostic testing in Term 1. Students who score highly (top 5%) across the range of diagnostic tests completed, are offered the academic and leadership challenges summarised in the PHS GATE flyer. Students may self-select. The GATE flyer is available to all prospective students and Year 9 students.
- GATE coordinator’s interviewing programme provides individual interviews and ILPS. The data gathered during these interviews provides profiles on students in the

programme and facilitates an ongoing relationship with students to set and achieve specific goals.

- PHS Students are offered a range of opportunities to best meet their learning needs. These include clustering, multi-leveilling, acceleration, extension and mentoring as appropriate. e.g. A band Streaming.
- GATE and Philsoc Google classrooms advertise EOTC opportunities offered throughout the year. e.g., the Fortnightly after school Philosophy Club “Philsoc” -created for GATE students, DofE Hillary, debating, conferences, writing workshops and competitions, Ethics and scholar competitions, Model UN, FPS, Poetry Slam, visiting speakers and workshops. *NB PhilSoc is postponed due to Covid 19 restrictions.*
- GATE register maintained and updated and students are identified in Kamar.
- Ongoing evaluation for improvement to meet student need is a focus of the GATE team.

## 2022 Goals

Goals	Responsibility
Continue to gather student voice on effective ways to develop the GATE programme. In 2022 we are focussing on improving the Duke of Ed programme delivery. SLA has joined the Duke of Edinburgh team and is working closely with WSP to ensure effective delivery of the Adventurous journey skills to bronze students in 2022. This is severely impacted by Covid 19 and weather, but we are seeing more and more students joining the Duke of Edinburgh programme.	DWJ - and Team as possible
LONG TERM: Plan and utilise best practice for meeting socio-emotional needs of GATE students. Use research re how best to develop resilience/grit and a growth mindset (e.g., Angela Lee Duckworth’s evidence).	GATE Team
LONG TERM: Build upon Team’s understanding of Te Ao Māori concepts about “Gifted and Talented” in GATE. Plan for how to build a culturally responsive GATE programme.	ARL & DWJ
Develop a comprehensive GATE identification process and ensure GATE students are correctly placed on the PHS GATE register. This register will be live and transparent for staff to access as needed.	ARL

### Academic Counselling

#### Business as usual

Academic Counselling is the collaborative approach to improving academic outcomes for all students through a data driven mentoring programme, which aims to ensure the personalisation of an appropriate learning pathway.

- On-going review and development of AC – including AC timeline and student goal setting and individual reflection
- Collection and analysis of student achievement data
- Distribution of AC relevant data to appropriate staff
- Organise “Conference Day” and “Meet & Greet” evening
- Plan and provide a structure for Academic Counselling Interviews
- Facilitate and support staff PLD to upskill all staff to be effective Academic Counsellors. This includes enabling staff to interpret student achievement data resulting in meaningful mentoring conversations
- Advocate for careers education for all staff
- Work alongside senior Deans to identify students whose current academic performance indicates they are likely to fall short of reaching their achievement potential following predicted grade entries
- Assist Dean’s communicating with academic counsellors, parents/caregivers and students
- Provide one-on-one support for new staff to PHS and PRT’s to develop their understanding of the AC process and their implementation of it
- Communicate with the community regarding AC
- Liaise with Careers/Deans to promote viable pathways for all students
- Provide information to support the course selection process ensuring all students are placed in an appropriate course of learning
- Align key dates with assessment and reporting so AC interviews include conversations around recent student academic progress/achievement
- Review and refine the AC process to ensure it is sustainable and the financial costs don’t inhibit its effectiveness

## Papanui High School Future Focus:

The following tables set out the school's long term aims, provides a commentary of the current state and, sets out the aspirations for each long-term aim and provides a discussion on what these mean and how they will be achieved.

### Future Focused Teaching and learning

**Commentary: A place whose effective teaching practices and use of spaces are flexible, collaborative and enhance learning**

Aspirations	What does this mean?	How will we achieve the aspiration?
<p><b>We focus our use of space and pedagogies to improving outcomes to create confident, connected, lifelong learners who demonstrate learner agency.</b></p>	<p>The learner has the capacity to act and make choices. In a learner-centred environment, learners have agency over their learning and classroom systems serve the needs and interests of the learner.</p> <p>When learners link content to their passions and interests, they have a greater stake in what they are doing. When they set personal goals, the learning becomes theirs. This sense of ownership leads to increased motivation.</p> <p>Agency involves the initiative or self-regulation of the learner. Learners must have a belief that their behaviour and their approach to learning will make a difference for them in their learning context – in other words, a personal sense of agency.</p> <p>Agency is interdependent. The learner is not working in isolation doing their own thing and what suits them, there's connectedness.</p> <p>Agency includes an awareness of the responsibility of one's own actions on the</p>	<p>The provision of an inclusive learning environment which engages learners, teachers, family/whanau, and communities in co-constructing education to address students' needs, strengths, interests, aspirations and the opportunity for cross-curricular and/or multi-level learning.</p> <p>Create a learning environment where learners and teachers work together to build curriculum knowledge and develop the key competency skills to create lifelong learners.</p> <p>Develop personalised learning by:</p> <ul style="list-style-type: none"> <li>● building the curriculum around the learner,</li> <li>● providing flexibility to meet learner needs</li> <li>● the learner linking content to their passions and interests</li> <li>● setting personal goals to increase ownership of learning and thus motivation</li> <li>● providing authentic learning experiences and place-based learning</li> </ul> <p>When learners can make decisions on how to organise and reflect on their learning and overall wellbeing, they develop the ability to self-monitor. These self-management skills create lifelong learners.</p> <p>When learners are able to make authentic contributions to their school, environment, or community through their learning, their voice finds expression leading to greater empowerment</p> <p>Build a culture of continuous learning, reflection and self-review for teachers and school leaders for professional learning</p>

learning environment and on others. Every decision a learner makes, and action she or he takes, will impact on the thinking, behaviour or decisions of others – and vice versa.

Set high expectations and not underestimate what learners are capable of.

## Cultural responsiveness

**Commentary: A place that embraces and reflects the bicultural heritage of Aotearoa, New Zealand and affirms the different cultural identities of all students.**

Aspirations:	What does this mean?	How will we achieve the aspiration
<p><b>We respect and value all cultures and in particular our commitment to biculturalism.</b></p>	<p>Papanui High School models a strong commitment to Te Tiriti o Waitangi The school's commitment to biculturalism is evident in the actions of our staff and students and is reflected in the spaces they use</p> <p>Visitors to the school will experience an environment that values our bicultural commitments and celebrates cultural diversity.</p> <p>Cultural Responsiveness is promoted and maintained through a student-centred approach to teaching and learning.</p> <p>Students' unique cultural strengths are identified and nurtured to promote student achievement and a sense of wellbeing about the student's cultural place in the world. The culture of the school welcomes and celebrates students and their families from all cultures.</p> <p>Acceptance of different cultures is actively promoted through school networks.</p>	<p>A theme that will reflect the bicultural history and kaupapa of our school will be further developed. This has been refined to; The significant people of our school, The Papanui Bush, Totara trees, Kahikatea Forests and Harakeke.</p> <p>Culturally responsive pedagogy is modelled across the school in teacher practice and student outcomes. Our kaupapa and the interdependent roles and responsibilities we have as a school community, focuses on the potential of learners. This Kaupapa is grounded in the concepts of whanaungatanga, mahi tahi, kotahitanga, whakapapa and ako. This creates a learning environment where the teacher/learner relationship is fluid and is based on care, mutual respect, shared power, connectedness and a sense of belonging.</p> <p>Culturally responsive pedagogy is embedded as part of the learning and pastoral culture of the school through an ongoing process that reviews and reflects best practice and cultural awareness</p> <p>To explicitly teach and promote throughout the school community, the importance placed on learning from, and relating respectfully with, people of your own culture as well as those from other cultures.</p> <p>The experiences of people from different cultures are shared and celebrated. Diversity is reflected around the school through such examples as Art, Photographs, Cultural Artefacts, and Iconography.</p>

Strong community connections promote and celebrate culturally significant events. This reaches out to all communities so everyone feels valued and connected.

## Diversity and Inclusion.

**Commentary: A place that promotes, supports and celebrates diversity and inclusion.**

Aspirations	What does this mean?	How will we achieve the aspiration
<p><b>We value and respect; the diversity within our school community, the fostering of inclusiveness and a sense of belonging.</b></p>	<p>Whanaungatanga – Staff, students and our wider community feel connected through a sense of belonging and acceptance.</p> <p>Manaakitanga - Every individual accepts the responsibility to understand and respect the uniqueness of others.</p>	<p>By providing a welcoming outdoor environment and indoor spaces that reflect the multicultural and diverse nature of the school and its community</p> <p>By providing high quality pastoral care services that can support the wellbeing of staff and students in order for them to feel belonging and acceptance to/from a school that values their individuality.</p> <p>Staff and students taking informed action to understand and respect the uniqueness of others.</p> <p>Staff set and model high expectations supported through high quality and ongoing PLD.</p> <p>By ensuring students are able to access and view a range of resources (textbooks, posters etc) that reflect their individuality.</p> <p>Providing regular opportunities for staff, student, whanau and community consultation and engagement</p> <p>Providing opportunities for staff, students, and the wider community to showcase, and celebrate their identities and the identity of others.</p> <p>Embed Papanui Haka and Waiata into the culture of the school.</p>

**Commentary: A place that promotes and supports the wellbeing of its school community**

Aspirations	What does this mean?	How will we achieve the aspiration?
<p><b>We will foster a culture of wellbeing based on a co constructed shared understanding of Hauora that reflects our diverse community.</b></p>	<p>Me mahi tahi tātou mō te oranga o te Kātoa We must work together for the wellbeing of all.</p> <p>Hauora is defined as staff and students feeling good about themselves and functioning well. This is reflected in the actions and experiences of all individuals.</p>	<p>Developing a strategic plan for Wellbeing at PHS.</p> <p>Provide opportunities for staff to develop an understanding and sense of self efficacy in relation to their own wellbeing i.e. showing resilience.</p> <p>Creating and promoting a shared understanding of culturally responsive frameworks of wellbeing.</p> <p>Providing regular opportunities for staff, student, whānau and community consultation and engagement so that we appropriately understand the needs of those groups.</p> <p>People (staff &amp; students, whānau) caring for each other.</p> <p>Staff will be trained about Wellbeing and how to effectively implement a wellbeing curriculum.</p> <p>Wellbeing programmes will be explicitly taught in school.</p> <p>Develop support systems to promote and support well being By ensuring that what students see and hear at school is reflective of their diversity.</p> <p>By maintaining connections with the community that support the ongoing wellbeing of the staff and students. I.e. flu shots and Te Ora Hou</p> <p>By providing leadership opportunities that allow students to advocate for their own wellbeing and that of their peers at school and in the community.</p> <p>Ensuring our health/wellbeing team and their services are effectively promoted so that students are aware of and encouraged to use them.</p> <p>The application of culturally responsive practice, mentioned above, will contribute to the overall wellbeing of all students.</p>

## Environmental and ecological sustainability

**Commentary: A place that has a physical environment which is safe and appealing, and has a commitment to ecological sustainability.**

Aspirations	What does this mean?	How will we achieve the aspiration?
<p><b>We provide an environment that; enhances students' and staff safety, and provides a connection to an environmentally and ecologically sustainable world.</b></p>	<p>Environmental and Ecological Sustainability refers to the capacity of the school's biosphere to meet the needs of the present generation without hindering future generations from being able to meet their needs. Sustainable development focuses on both the short-term and long-term impact of environmental management decisions.</p> <p>The Māori principle of Tauutuutu – Reciprocity; giving back what is taken; and maintaining balance will underpin building decisions to ensure the environment created supports and replenishes the ecological impacts of property development.</p> <p>The teaching and learning programmes will seek to inspire students, and generate graduates prepared to make an ecological difference to our wider community- tangata tū, tangata ora.</p> <p>The ongoing maintenance and review of the schools' environment will reflect current best practice and ecological sustainability</p>	<p>Commit to meeting minimum environmental standards, and build on current efforts to reduce consumption, particularly of non-renewable resources, and increase reuse and recycling when designing, re-developing and developing new and existing spaces at Papanui High School.</p> <p>Structured learning around sustainability provides opportunities for students to make connections between learning areas, competencies, and values. It requires teaching and learning approaches that draw on all elements of effective pedagogy and focuses on empowering students to take action for a sustainable future.</p> <p>Meaningful partnerships with Māori under Te Tiriti o Waitangi (the Treaty of Waitangi), which recognise the concept of Kaitiakitanga, or guardianship, of the natural environment. Papanui High School also recognises the concepts of Manaakitanga, Mauri Tū, Mahinga Kai and Tauutuutu. Links with outside organisations, including Iwi, other educational providers, local business, City Council, community board and groups.</p> <p>Provide opportunities to enable staff and students to contribute to reduce ecological impacts and improve sustainability outcomes</p> <p>Papanui High School graduates will be bi-culturally competent, globally aware and engaged with their community in order to create, define and succeed in future careers and industries of sustainable societies</p>
