

Entering Your 2023 Student Selected Courses Online

1. To access the online course selection information, visit <https://papanui.schoolpoint.co.nz/>
2. **Login** using your **parent username and password**. This is included in email.

Papanui High School- SchoolPoint

Kia ora

Our SchoolPoint page has been set up so you can access information about the school, select your courses and make student conference bookings.

To access the site, you will need your **username and password**. This will have been sent to you in an email from the school. Please be mindful that parents/caregivers and students have different passwords.

If you are experiencing any problems, please contact the school office on 03 3526119 or email admin@papanui.school.nz We can book interviews and complete course selections over the phone.

3. Click on your square that appears with you name in it.
4. Read the information on the home screen. To begin with, students will need to select their **Compulsory Arts** and **Compulsory Technology** Courses. Once these have been selected students will be able to complete the rest of their selections. When six selections have been made, students will need to select a **"back up"** course for their Compulsory Arts and Compulsory Technology Courses.
5. When you are ready to select your 2023 courses, click on either of the below tabs **Options I can choose**

Kia ora, Welcome to the year 8 transition information.

Course Selection - 2023

Kia ora

It is now time for students who are **currently in Year 8** and transitioning to Papanui High School in 2023 to select their courses for next year.

We ask that courses are selected by:
Tuesday 1st November

Courses I can choose from

To begin with, students will need to select their Compulsory Arts and Compulsory Technology Courses. Once these have been selected students will be able to complete the rest of their selections. When six selections have been made, students will need to select a "back up" course for their Compulsory Arts and Compulsory Technology Courses.

Year 9 Compulsory Arts - Student Selected Courses

All Year 9 students will study at least two of the 4 Arts disciplines; Art, Dance, Drama & Music. The four disciplines have been arranged into 6 different combo courses. All Year 9 students must select at least one of the below combo courses.

- Visual Art & Drama
- Dance & Drama
- Drama & Music
- Music & Dance
- Dance & Visual Art

6. All student selected courses available for Year 9's is represented by a green box (if it isn't you may want to click on the GRID box on the top right-hand side). Click on the box you would like to read more about and you will be given further detail about the course on offer

Course Description

Teacher in Charge: Ms T. Williams

Do you know over 70% of the food you buy is processed? In this course you will discover the ingredients in food products through deconstruction and evaluation of ultra-processed foods. You will also develop how to appreciate and describe the attributes of food, labelling, simple marketing, innovative packaging, recent trends such as superfoods and planetary diet. Then you collaborate to develop a design and model a potential food product, label and package.

9. Down the right-hand side of your screen, you will see the courses you select begin to populate the column.

Remember - you must begin by selecting the top two compulsory courses:

- Year 9 Arts
- Year 9 Technology

10. Once you have selected six courses, you will then need to select two "Backup Courses". One for Year 9 Arts and one for Year 9 Technology.

Please note: We endeavor to give all students their first course choices but in some circumstances, you may be asked to review your choices or may be given one of your backup courses.
